Consider a resolution authorizing the City Manager to donate the old, removed playground materials from Unidad Park to Northridge Baptist Church and authorizing the City Manager to execute all related documents (Carl White)

Summary/History:

We are seeking approval of a resolution authorizing the City Manager to donate the old playground materials that will be removed during the replacement of the entire playground at Unidad Park to Northridge Baptist Church, located at 2447 W FM 2105.

Northridge Baptist Church submitted a request for the old playground materials in a letter dated March 30, 2021.

The Parks and Recreation Advisory Board considered this request at their meeting on April 22, 2021 and recommended approval of the donation.

The playground at Unidad Park will be replaced later this year/early next year utilizing funds from a San Angelo Health Foundation grant, donated funds and some half-cent sales tax funds dedicated to park improvements.

Due to their age and condition, the removed playground materials can not be used at any other City park and have limited scrap value to the City. In short, the materials have no value to the City. The church will take all the old materials, as is, and will indemnify the City for their handling and reuse. The church plans to utilize the most usable materials and recreate a new, smaller playground for their property.

Financial Impact:

There is no cost to the City regarding this matter.

Northridge Baptist Church

2447 W FM 2105

San Angelo, Texas 76901

March 30, 2021

Mike Hitchcock is a long time member and Elder at Northridge Baptist Church. He is aware of plans to replace the playground at Unidad Park this fall. Northridge Baptist Church is a small church just outside side the city limits on the north side. We may be a small church but we have a very active children's ministry. We had to remove our aging wooden playground this past year.

The addition of the salvaged playground equipment from Unidad would be very well used here. Mike Hitchcock as Parks Manager and longtime Certified Playground Safety Inspector is well aware of the deficiencies in the current playground. Mike is planning on retiring next January and would like to make this his first project in retirement. He is well able to reconfigure the structure to a smaller, safe, useful playground.

Northridge Baptist church intends to take full responsibility and liability for the playground and completely releases the City of San Angelo from any and all liability for the use, maintenance and disposal of the playground equipment.

Thank you for your consideration in this matter.

A RESOLUTION BY THE CITY OF SAN ANGELO CITY COUNCIL APPROVING THE DONATION OF UNIDAD PARK PLAYGROUND EQUIPMENT TO NORTHRIDGE BAPTIST CHURCH.

WHEREAS, the City of San Angelo has plans to replace the playground equipment at Unidad Park; and

WHEREAS, the current playground equipment is aging but still has useful life remaining; and

WHEREAS, Northridge Baptist Church has requested the playground equipment once it is removed from Unidad Park; and

WHEREAS, the Texas Constitution requires that before a City can make a donation to a private entity there must be a finding by City Council that such a donation constitutes a valid public purpose.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF SAN ANGELO, TEXAS:

Part 1: That the City of San Angelo is authorized to donate the playground equipment from Unidad Park once it is removed and replaced to Northridge Baptist Church located at 2447 W FM 2105.

Part 2: That the donation alleviates disposal responsibilities from the City of San Angelo and constitutes a valid public purpose to justify the donation.

Part 3: That Northridge Baptist Church shall provide to the Director of Parks and Recreations photographs of the playground equipment once it has been installed at the Northridge Baptist Church facility.

Consider a resolution authorizing the City Manager to donate the old lights and fixtures from the Ben Ficklin field to the Wall Education Foundation and authorizing the City Manager to execute all related documents (Carl White)

Summary/History:

We are seeking approval of a resolution authorizing the City Manager to donate the old light poles and fixtures at the old Ben Ficklin field to the Wall Education Foundation for a field located on the grounds of Wall ISD.

The Wall Education Foundation submitted a request for the old light poles and fixtures in a letter dated April 7, 2021.

The Parks and Recreation Advisory Board considered this request at their meeting on April 22, 2021 and recommended approval of the donation.

The light poles and fixtures were installed at the Ben Ficklin field almost 20 years ago when Southern Little League was active and leased the field. The lights have been disconnected and inoperable for several years and are currently providing no benefit to anyone. The field is still used for practice during daylight hours. Teams that want nicer, lighted fields to play and practice rent the ones at the Texas Bank Sports Complex.

The Wall Education Foundation, if this donation is approved, would remove the poles and fixtures at their expense and would indemnify the City for their handling and reuse.

Due to their age and condition, the fixtures are obsolete, but the poles can be reused since they are hollow steel tubes. The City has no planned use or need for these poles and staff recommends approval of this donation.

Financial Impact:

There is no cost to the City regarding this matter.

Re: Unused lights at Ben Ficklin baseball field

Dear Mr. White:

The Wall Education Foundation, a 501(c)(3) charitable organization, has learned that the Ben Ficklin Baseball Field is no longer in use and may have lights that are no longer needed. The Wall ISD baseball field is in need of lights to enable our teams to complete their games. As it stands, we start varsity home games at 4:00 P.M. and the junior varsity games are often called at sunset. The Wall baseball program is growing each year (33-50 Wall high school baseball players for one field with no play after dark, 60 Wall 3rd-8th graders playing travel baseball, and 271 kids playing Wall Little League). Having lights on our baseball field would also allow these teams to practice after sunset.

We have been researching the feasibility of purchasing lights for the field but find the cost to be prohibitive at this time. Although the district is planning improvements to its athletic programs, it takes many years to build the capacity we will need to serve this growing district. These lights would be of great benefit to many kids for years to come!

We need lights now and respectfully request the City of San Angelo to consider gifting the lights to the Wall Education Foundation for use at our baseball field. The Foundation completed a viability/condition assessment of the lights (See enclosed.) We have also arranged for removal of the lights from the current location to our field at our cost and responsibility.

Thank you for your consideration. Please contact me if you have any questions.

Sincerely,

Beth Niehues

Subject Existing Light Pole Condition and Assessment
Ben Ficklin Road Baseball Field
San Angelo, Texas

Dear Mr. Reichenau,

Upon your request, SKG Engineering, LLC performed a visual inspection of the (6) existing light pole bases and readily visible areas of the poles at the baseball field on Ben Ficklin Road in San Angelo, Texas. The existing poles are proposed to be removed from their concrete bases and erected at the Wall High School baseball field with new LED light fixtures installed. It is our understanding that only the existing poles will be utilized at their new location; all brackets and fixtures will be replaced. The purpose of our inspection was to determine if there was any visible damage to or deterioration of the light pole bases that should be addressed.

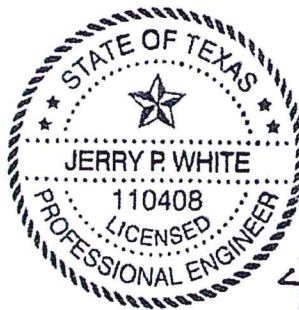

The existing light poles are made of galvanized steel tapered sections with galvanized steel base plates, with (4) cast-in-place galvanized steel anchor bolts per light pole. Only the existing poles and base plates are proposed to be re-used at the new location. At the time of our inspection, the light pole base plates, the welded connection of the poles to the base plates and the poles themselves appeared to be in good condition. No readily visible damage or deterioration was noticed.

If you have any questions or comments, or if we can be of any further service to you, please do not hesitate to contact us at (325) 655-1288.

Sincerely,

Consider authorizing the City Manager to negotiate and execute a renewed agreement between the City of San Angelo and Nasworthy Lake Tours, LLC, to operate an excursion paddle wheel steamboat and non-motorized water craft rental concession at Spring Creek Park at Lake Nasworthy (Carl White)

Summary/History:

Staff recommends approval of authorizing the City Manager to negotiate and execute a renewed agreement to operate an excursion steamboat and non-motorized water craft rental concession at Spring Creek Park at Lake Nasworthy.

On July 15, 2014, City Council adopted a Resolution approving an agreement between the City and Lake Nasworthy Tours, LLC, to operate the "Tule Princess" steamboat concession.

On June 6, 2016, City Council approved a new license agreement with Nasworthy Lake Tours, LLC, d/b/a Tule Princess Steamboat Company. February, 2016, Mr. Mack Fox, licensee, submitted a proposal to amend the agreement to relocate the operation to Spring Creek Park.

Since 2014, this agreement has been mutually beneficial. The proposed terms for the renewed license agreement are:

- * 5-year term
- * annual fixed payment of \$1,500.00
- * annual percentage payment of gross receipts of 6%. There is also a clause in the agreement for a pro-rated fee based on the inability to operate due to low lake water levels.
- * 90-day termination notice

The agreement also includes the following:

- * placement of a ticket booth/operations building roughly 10' x 24'
- * placement of signs
- * maintenance of a suitable dock
- * maintenance of a short fence along the water's edge to control access to the dock and boat
- * concession worker passes to access the park without an entrance fee to work the concession only
- * authorizes rental of paddle boards, kayaks, canoes and other small non-motorized water craft.

Financial Impact:

The City incurs no expense with this proposal. A flat and percentage based fee would be paid to the City annually. These funds help to pay for the maintenance of the lake parks.

Summary/History:

Mr. Ray Broadway (doing business as Golden Antlers, LLC) submitted a request to add two small parcels to his existing lease agreement. These parcels include the adjacent public restroom facilities and the adjacent outdoor, fenced in storage area. Staff recommends approval.

With approval of this third amendment, Golden Antlers would connect the existing public restrooms to their sewer system and would maintain the facility for the public's use. Currently, the restrooms are on a septic system and since the water table is relatively high in the area, the restrooms are often taken offline due to high use; times they are often needed the most. In addition, Golden Antlers would utilize a pre-existing and under-utilized adjacent outdoor storage area.

Golden Antlers has a long-term lease with the City for operation of the Spring Creek Marina. In recent amendments, Golden Antlers leased additional property for expansion of the operation (first amendment) and won approval for not having to seek City Council approval for each special event at the marina (second amendment).

Financial Impact:

There is no cost to the City for this lease amendment. If this lease amendment is approved, the City will not be responsible for maintaining the property associated with the amendment, resulting in labor and maintenance cost savings for the City.

Consider extending an MOU with Keep San Angelo Beautiful (KSAB) for three additional years and authorizing the City Manager to execute all related documents (Bob Salas)

Summary/History:

The City and KSAB entered into a three year agreement through an Memorandum of Understanding (MOU) with a one year automatic extension to provide funding (\$65K) and legal and financial services for the startup and administration of the KSAB organization. The MOU expires on June 30, 2022 and staff is requesting that the MOU be extended for an additional three (3) years from July 1, 2022 to June 30, 2025 and the funding amount be increased to \$75K annually.

The City, acting as the employer of record, was unable to hire a permanent Executive Director (ED) until February 2020 which gave the current ED only one year to establish the program, seek non-profit status, and fundraise appropriately. However, in that short time, the current ED was able to raise over \$239K and conduct 103 events saving the City over \$27K of labor costs, 44,000 tons of hazardous material removed from the city, and 8,400 lbs of junk and debris removed from streets, rivers, and the Red Arroyo. Unfortunately, grants and donations have only been for events and not administration.

In addition, due to the reassessment of the current duties and responsibilities of the Executive Director, staff is recommending to increase the amount of admin from \$65K to \$75K to cover the appropriate salary for the Executive Director. Staff requests approval of the MOU three year extension with \$75K annual funding.

Financial Impact:

If approved, \$75K annually from Solid Waste Management funds will be transferred to KSAB for an additional 3 year period.

STATE OF TEXAS

COUNTY OF TOM GREEN

**MEMORANDUM OF UNDERSTANDING BY AND BETWEEN
THE CITY OF SAN ANGELO AND KEEP SAN ANGELO BEAUTIFUL**

This Memorandum of Understanding (MOU) is entered into, by and between the City of San Angelo, a home rule municipality located in Tom Green County, State of Texas, hereinafter "City", and Keep San Angelo Beautiful, a Texas Non-Profit Corporation hereinafter "KSAB".

ARTICLE I. PURPOSE

The purpose of this MOU is to define the roles and responsibilities between KSAB and City.

ARTICLE 2. TERM

This MOU shall be effective from July 1, 2019, for a one (1) year period to July 1, 2020 (Initial term). At the expiration of the initial term, this Agreement will automatically renew for two (2) additional one (1) year terms unless terminated in writing with no less than 90 days' written notice.

ARTICLE 3. DESCRIPTION OF CITY PROVIDED SERVICES

1. City shall provide assistance in fiscal management of KSAB by acting as the fiscal for all KSAB funds. City shall provide advisory legal services to KSAB upon request.
2. City agrees to provide funding in the amount of Sixty-five thousand and No/100 Dollars (\$65,000.00) per year for three (3) years to pay for administrative staff for KSAB. This may include, but not be limited to, the KSAB Coordinator, who shall be an employee of City whose work related to the administrative functions of KSAB shall be under the direction of the KSAB Board.

ARTICLE 4. RESPONSIBILITIES OF KSAB

KSAB Board shall:

1. Raise funds in the name of KSAB to support all functions of KSAB by the expiration of the initial term of this Agreement. In conjunction with City, assemble and maintain an adequate, competent staff with such knowledge and experience that will enable them to perform all appropriate KSAB activities in the manner required by law.

2. Prepare a quarterly report on the activities of KSAB and any other information as requested by the City Manager or his designee.
3. As to nonprofit functions of KSAB, have the joint responsibility to hire, supervise, evaluate and terminate the KSAB Director.
4. Develop a performance plan for the KSAB Director and evaluate the performance of the KSAB Director as it relates to the administrative functions of operation of KSAB on an annual basis as required by City personnel policy.
5. Direct oversight and maintenance of the KSAB budget, and ensure timely approvals of any proposed revisions to the KSAB budget.
6. Use the funds donated by City to carry out the purpose of KSAB and this Agreement.
7. Adopt and apply City of San Angelo Personnel Policy as set forth in the City of San Angelo "Employee Handbook" for Municipal Employees for City employees under the direction of KSAB. A copy of the City of San Angelo "Employee Handbook" is attached hereto as **Exhibit A**, which shall be furnished by the KSAB Board to each of the City employees under its direction.

ARTICLE 5. RESPONSIBILITIES OF CITY

City shall:

1. Provide financial management, accounting, and purchasing services to KSAB consistent with current federal and State requirements.
2. Provide Sixty-five thousand and No/100 Dollars (\$65,000.00) annually in funding to KSAB to support the startup of the organization and hire appropriate staff.
3. Use generally accepted accounting procedures to maintain separate accounting records for KSAB, in compliance with applicable State and federal regulations.
4. Maintain one or more separate accounts for the crediting and debiting of KSAB funds.
5. Process the payment of all invoices on a timely basis as the fiscal agent for KSAB, subject to authorization therefore by the KSAB Board or its designee. The foregoing notwithstanding, City is under no obligation to process payment authorizations unless sufficient funds for such proposes are present in the KSAB budget.
6. Upon proper funding by KSAB, provide administrative staff who shall be employees of City under the joint direction of City and the KSAB Board which may include, but not be limited to, a KSAB Director.
7. Provide legal assistance in an advisory capacity, human resource services, communication utilities, information technology assistance, public information services, and other administrative support services to KSAB.

ARTICLE 6. PERSONNEL MANAGEMENT

1. All staff employees provided by City to KSAB and under the direction of the KSAB Board are and shall remain City employees for the purposes of payroll disbursement, indemnification, and fringe benefits, including retirement, medical

and life insurance, vacations, sick leave, holidays, and other benefits generally extended to City employees. After a period of three (3) years ending June 30, 2022 employee salaries and expenses for employee benefits incurred by City shall be reimbursed to City by KSAB.

2. The City of San Angelo Personnel Policy set forth in the City of San Angelo "Employee Handbook" for Municipal Employees, shall apply to City staff employees under the direction of the KSAB Board. The City Manager, by the authority granted the City Manager pursuant to City of San Angelo Personnel Policy set forth in the "Employee Handbook", hereby designates the KSAB Board or its designee to conduct the final hearing on any unresolved grievance related to job responsibilities under the direction of the KSAB Board, as provided under Grievance Procedure, Part "B" Procedure for Grievances, Step III.
3. City shall have, after notice to the KSAB Board, the sole responsibility to suspend, place on probation, or terminate the KSAB Director or any employee for violations of the following sections of the City of San Angelo Personnel Policies as set out in the "Employee Handbook":
 - a. 4.08 Immigration Reform and Control Act
 - b. 6.09 Harassment
 - c. 6.17 Drug Free Workplace

ARTICLE 7. PERFORMANCE MANAGEMENT

Executing the administrative functions of KSAB shall be the sole responsibility of the KSAB Director. The KSAB Board shall be solely responsible for confirming and evaluating whether the Director is executing the administrative functions and implementing the policies of KSAB.

ARTICLE 8. FEE FOR SERVICES

Beginning July 1, 2022 City shall be reimbursed by KSAB for indirect costs, including but not limited to legal, human resource, information technology and other administrative services, as determined by City's Indirect Cost Allocation Plan.

ARTICLE 9. TERMINATION AND AMENDMENTS

1. This Agreement may be amended only by written amendment signed by the parties hereto as authorized by their governing bodies. NO OFFICIAL, EMPLOYEE, AGENT OR REPRESENTATIVE OF THE CITY OF SAN ANGELO OR KSAB HAS ANY AUTHORITY, EITHER EXPRESS OR IMPLIED, TO AMEND THIS AGREEMENT, EXCEPT PURSUANT TO SUCH EXPRESS AUTHORITY AS MAY BE GRANTED BY THE CITY OF SAN ANGELO CITY COUNCIL OR THE KSAB BOARD.

2. In the event of termination, all costs incurred through the date of termination will be paid within thirty (30) days of request for reimbursement or payments.
3. Any notice required or permitted to be given to a party under this Agreement, shall be in writing and shall be deemed given (i) on the day it is delivered personally (with receipt); or (ii) the day after it is deposited with a nationally recognized courier service for next-day delivery; or (iii) three (3) days after it is deposited in the U.S. certified mail, postage prepaid, return receipt requested, addressed as follows:

City Manager
City of San Angelo
72 W. College Ave.
San Angelo, Texas 76903

If to KSAB:

KSAB Executive Director
52 W. College Ave.
San Angelo, Texas 76903

ARTICLE 10. NON-DISCRIMINATION

It is mutually agreed that all parties hereto shall be bound by the provisions of Title 49, Code of Federal Regulations, Part 21, which were promulgated to effectuate the provisions of Title VI of the Civil Rights Act of 1964, Title 23. Code of Federal Regulations, part 710.45(b), and Executive Order 11246 titled "Equal Employment Opportunity" as amended by Executive Order 11375 and as supplemented in Department of Labor Regulations (41 CFR Part 60).

ARTICLE 11. GOVERNING LAW

The laws of the State of Texas shall govern this Agreement. Obligations of the parties are performable in San Angelo, Tom Green County, Texas. Venue for any legal proceeding relating to this MOU shall be in Tom Green County, Texas.

ARTICLE 12. NON-ASSIGNMENT

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives successors and assigns. However, this Agreement may not be assigned by either party without the specific prior written consent of the other.

ARTICLE 13. SEVERABILITY

In the event that any provisions of this MOU are illegal, invalid or unenforceable under present or future law it is the intention of the parties that the remainder of this MOU shall

not be affected. It is also the intention of the parties that in lieu of each clause and provision that is found to be illegal, invalid or unenforceable, a provision be added to this MOU which is legal, valid or enforceable and is as similar in terms as possible to the provision found to be illegal, invalid or unenforceable.

ARTICLE 14. ENTIRETY OF AGREEMENT

This MOU contains the entire agreement between the parties.

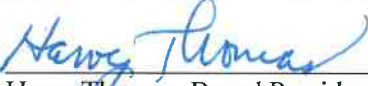

EXECUTED in duplicate originals on this the 13th day of June, 2019.

Consider ratifying COSADC's approval of a request by the San Angelo Convention and Visitors Bureau for partial funding of the Air Races to be held at the San Angelo Regional Airport on October 30 and 31, 2021 via a VIP Sponsorship of \$10,000 (Guy Andrews)

Summary/History:

In the October 28, 2020 COSADC Board Meeting, following a presentation by Diann Bayes and Suzanna Valenzuela of the CVB, President Kolls directed staff to work on a proposal in the amount of Ten Thousand (\$10,000) as a VIP sponsorship of the air races. (This is contingent on the airshow actually committing to come to San Angelo.)

5. Regular Agenda

a. Discussion and possible action concerning a request for partial funding from the San Angelo Convention & Visitors Bureau for Air Races to be held at the San Angelo Regional Airport. (Presentation by Guy Andrews, Economic Development Director and CVB Staff) Suzanna Valenzuela, Leisure and SMERF Manager and Diann Bayes, Vice President of the Convention & Visitors Bureau discussed the event and provided additional information. City Council approved support for this event on October 20, 2020. President Kolls directed staff to work on a proposal in the amount of Ten Thousand (\$10,000) as a VIP sponsorship.

On April 28, 2021 COSADC board approved the \$10,000 sponsorship.

The air races have now committed to San Angelo, so the Chamber of Commerce is requesting the \$10,000 VIP Sponsorship from COSADC.

See exhibits from the 10/28/2020 COSADC Agenda Item 5a in the Attachments.

San Angelo Development Corporation
Attention: Guy Andrews
69 North Chadbourne Street
San Angelo, Texas 76903

Dear Mr. Andrews,

The San Angelo Convention and Visitors Bureau is working with Jeff Zaltman owner of <https://airrace1.com/> to host a race in San Angelo in late October of 2021. The race would be held over a couple of days at San Angelo Regional Airport. The race is like a NASCAR race in that all the planes are in the air racing at one time. Leisure/SMERF Sales Manager, Suzanna Valenzuela has been working with Airport Director Jeremy Valgardson, to line out the course with Air Race 1. The city legal department has worked out the details of the contract with Air Race 1 and the item is being considered at the October 20th City Council meeting. We are looking to form a partnership with Goodfellow Air Force Base for EMS/Equipment for the event. Suzanna has met with city police and fire departments on a plan that we can move forward with if the Goodfellow partnership falls through. The Airport Advisory Board met on October 8 and was unanimously supportive of the event and is recommending approval to the City Council. We are anticipating the cost of incentives to be \$80,000, the Convention and Visitors Bureau board met on October 9th and approved funding incentives up to \$40,000 and allowing staff to seek additional funding for the remainder needed. One outstanding item is the cost of insurance, the city has been seeking out a price for a policy, but it has not yet been established. In addition on the event side of the race, the San Angelo Chamber of Commerce is considering running the event.

The air race has the potential to bring many visitors to the community and shine a bright spotlight on the Airport. We would like to respectfully ask for the San Angelo Development Corporation to consider assisting us with up to \$40,000 to bring this event to San Angelo. Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Diann Bayes".

Hangar Space

- Air Race 1 has requested the use of a 10,000sq/ft hangar
 - No vacant hangars
 - Tenants could volunteer hangar space
 - Portable hangars

Risk vs Reward

Risk

- Activity is outside of normal airport use
- Not covered under current insurance
 - **May need to be self insured**
- Safety areas not designed for such activity
- Critical infrastructure directly beneath or within the oval track
- May see reduction in aircraft traffic during event

Reward

- Public event at the airport
- Marketing / exposure
- Economic benefit
 - Heads in beds
 - Visitor dollars
- Place us on the global map
- May see an increase in GA traffic

Needs

- EMS
 - 4 pickup trucks
 - 2 structural trucks
 - 2 ground ambulances
 - 16 EMS / Fire personnel
- Security
 - 4 uniformed law enforcement officers during public opening
- VOLUNTEERS!!!
- Financial support
 - FAA's Airport Revenue Use Policy
 - Airport funds cannot be used to directly support the event, unless the event was to make monetary profit for the airport.
 - Event must be open to the public

CVB - Air Race 1

- CVB began discussions with Air Race 1 and Airport Director Jeremy Valsgardson to host an air race event in San Angelo in July 2020. The race would be held in October of 2021.
- Due to COVID-19 Air Race 1 has remodeled their business plan. Normally they charge a hosting fee between \$75,000 to 250,000 to host an event. This is currently being waived.
- CVB anticipates 260 room nights from Air Race 1 event staff and participating teams plus additional rooms for attendees.

- The event is similar to a NASCAR race in that the 6-8 planes race simultaneously.
- A course has been laid out and agreed upon between the airport and Air Race 1.
- CVB has met with Police and Fire to come up with a plan for the event.
- CVB has met with San Angelo Chamber of Commerce to consider running the event side of the race.

- CVB has negotiated incentives costs, these incentives will not be paid out to Air Race 1.

Incentive	Amount
Marketing for event	\$20,000
VIP Event for opening or closing	\$10,000
Fuel	\$4000
Transportation	*0 (Concho Valley Transit would like to sponsor)
Discounts on flights	*0
Lodging	\$20,000
Lunch for Participants	\$2,000
Emergency Medical Services	*\$14,000 (Possible savings with a partnership with Goodfellow)
Event Insurance	*? (City is looking for a vendor)
Tents	*? (Working on using a hangar)
Total	*70,000 (Outstanding expenses)

- The CVB Board of Directors held an emergency meeting on October 9th to discuss incentives for Air Race 1 and approved the following:
 - A motion to authorize the CVB to commit up to \$40,000 in visitor event and or sports incentives to Air Race 1 to hold an air race at the San Angelo Regional Airport in October 2021. We agree the CVB will also solicit sponsorships to cover additional fees for the event, seek assistance from City Council for additional HOT funds, as well as apply for the Texas Events Trust Fund in hopes of receiving monies from the state to offset any other expenses.

REPORT TO MAYOR & MEMBERS OF CITY COUNCIL

Requestor: Allison Strube, Water Utilities Director, Water Utilities, 325-657-4209

Meeting Date: June 1, 2021

Item type: Consent Item

Caption:

Consider authorizing the City Manager to execute all documents necessary to allow a private, 6-inch, water line to remain within dedicated drainage easements and the public rights-of way of Beverly Dr. and Bentwood Dr.; and approve the location of a new private, 8-inch, water line designed to cross 3-public rights-of-way, being Bentwood Dr., Beverly Dr. and N. Bentwood Dr. (Cynthia Preas and Allison Strube)

Summary/History:

At an unknown date, Bentwood CC installed a 6-inch private water line in publicly dedicated drainage easements within Sections 1 and 9, Bentwood Country Club Estates. In addition to being located within dedicated drainage easements, the private water line crosses 2-public rights-of-way, being Bentwood Drive and Beverly Drive. City staff and management for Bentwood CC have been unable to locate an easement approving the private water line within the dedicated drainage easements and rights-of-way.

Bentwood CC is now requesting permission to install an 8 inch private water line designed to cross 3-public rights-of-way, being Bentwood Drive, Beverly Drive and North Bentwood Drive. Bentwood CC will pay all costs and expenses incurred for the installation of this private water line and repair of the public rights-of-way.

Financial Impact:

No revenue or cost to the City.

As part of the consideration, Bentwood CC has agreed to grant a utility easement to the City for the Lake Nasworthy wastewater project.

Other Information/Recommendation:

Staff recommends City Manager be authorized to sign all documents necessary to allow the private, 6-inch, water line to remain, and approve the location of the new private, 8-inch, water line.

Report by San Angelo Area Foundation on Reconstruction Project for Barracks and Mess Halls 3 and 4 at Fort Concho (Introduction made by Rick Weise Assistant City Manager with presentation made by Matt Lewis CEO of San Angelo Area Foundation)

Summary/History:

Council approved a MOU between the City and San Angelo Area Foundation in 2020 that guided the project directed by the Area Foundation to reconstruct the missing Barracks and Mess Halls 3 & 4 at Fort Concho. An anonymous donor is funding the project and the funds are held at the Area Foundation. The Area Foundation has funded the plans and bid documents, bid the project, and wishes to report on the impending construction.

Financial Impact:

The reconstruction project for Barracks 3 and Mess Hall 3 is fully funded by an anonymous donor with the funds held at the San Angelo Area Foundation. The Area Foundation shall pay all bills for the project. The same arrangement will be in effect for Barracks and Mess Hall 4 when that segment of the project starts.

**MEMORANDUM OF UNDERSTANDING
FOR FORT CONCHO CONSTRUCTION PROJECT
BARRACKS AND MESS HALLS 3 AND 4
BETWEEN**

THE CITY OF SAN ANGELO AND THE SAN ANGELO AREA FOUNDATION

This memorandum of understanding (MOU), by and between the CITY OF SAN ANGELO (“CITY”) and the SAN ANGELO AREA FOUNDATION (“SAAF”). In consideration of the mutual promises and agreements set forth, CITY and SAAF agree as follows:

I. GENERAL PROVISIONS

- A. This affiliation is for the sole and limited purpose of a construction project at Ft. Concho that would involve construction of the Barracks and Mess Halls 3 and 4 (“PROJECT”).
- B. This agreement shall be effective on _____, 2020 and continue until such time the PROJECT has been fully constructed and accepted by CITY or both parties agree in writing to terminate the agreement.
- C. Nothing herein shall be deemed to create an association, partnership, or joint venture between CITY and SAAF.
- D. Point of contact for activities conducted under this memorandum shall be Rick Weise, Assistant City Manager.

II. CITY SHALL:

- A. Allow the construction of the PROJECT at Ft. Concho with review and approval by the CITY’s architect.
- B. Provide input and direction into the design and construction of the PROJECT from designated CITY personnel.
- C. Provide professional engineering and inspection services to SAAF related to the project as are necessary and agreed between the City Engineer, City Building Official and SAAF point of contact.
- D. Review and approve plans in accordance with City requirements and processes and ensure through inspection of the project that the PROJECT is constructed in accordance with such plans. The city architect has the authority to reject plans that in their sole discretion are deficient or do not meet city standards or regulations.
- E. Upon final acceptance of the project and transfer of all ownership of the PROJECT to the CITY from SAAF, City shall be solely responsible for all ongoing maintenance related to the PROJECT.

All authority related to the future operation and maintenance of the PROJECT shall lie solely with CITY.

III. SAAF SHALL:

- A. Bid the PROJECT with input and direction of the City of San Angelo, Fort Concho staff as well as any other person the CITY requests provide input into the construction process. The project shall be bid with a base bid for the Barracks 3 and Mess Hall 3 with an add alternate of Barracks 4 and Mess Hall 4. The contract may be awarded, subject to consultation, approval, and attestation of adequate funding for the PROJECT.
- B. Ensure any substantive changes to the approved design completed by Killis Almond, AIA, are approved by City Staff. Proper approval shall be in the manner determined solely by the City Manager.
- C. Be responsible for all costs and activities associated with the design, bidding, insurance, and construction of the PROJECT. Insurance requirements for construction and architectural firms are attached to this agreement as Exhibit A and SAAF agrees to require said firms it may hire to provide proof for such insurance and name the City and SAAF as additional insured.
- D. Ensure the CITY is listed as an additional insured on any insurance policies related to the construction of the PROJECT. Copies of such insurance shall be provided to the City Risk Manager prior to any construction activities taking place and shall remain in place until such time the PROJECT is dedicated to and accepted by the CITY.
- E. SAAF shall provide to the CITY a performance bond in the amount of the project. Such bond shall be provided prior to work commencing on the PROJECT. In the alternative, SAAF may in writing provide a financial assurance that in the event the donor does not provide adequate funding to complete the PROJECT, SAAF will utilize other funds to ensure completion.
- F. Work with the City Architect to ensure the plans for the PROJECT are followed and the PROJECT is built to the agreed specifications.
- G. Comply with all City permitting and approval processes.
- H. Upon completion of the construction of the PROJECT and acceptance by the CITY, SAAF shall formally in writing transfer all ownership and responsibility for the PROJECT to the CITY.

IV. IT IS FURTHER AGREED THAT:

- A. The terms and conditions of this MOU may be amended, deleted or expanded only by written agreement of the parties approved by the respective boards.
- B. The MOU shall be construed under laws of Texas, and if any provisions shall be invalid under the laws, such invalidity shall not violate the entire agreement, but it shall be construed as if not containing the particular provisions held to be invalid, and all rights and obligations of the parties shall be construed and enforced accordingly.

- C. Both of the parties hereto and the individuals executing this agreement for them represent to the party that it has the requisite power and authority to make and enter this agreement, and said agreement does not violate any provisions of the corporate charter or by-laws of any corporate party or statute, act or ordinance under which any unincorporated institution or party hereto is organized, or violate any agreement or commitment executed or made by any party.
- D. Notices required to be sent hereunder shall be sent prepaid registered mail with return receipt requested, and are effective upon receipt.

Notices sent to CITY shall be sent to:

Consider a resolution reauthorizing previously approved uses by approving a Special Use (SU21-01) to allow an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs, on properties zoned Single-Family Residential and Two-Family Residential on the following property: Lifepoint Baptist Church, 810 & 811 Austin St. and 818 Kenwood Dr. (Presentation made by Planning & Development Services Director Jon James)

Summary/History:

This case is a review and reauthorization of a Special Use approved by City Council on September 17th, 2019 on the subject property to allow an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs, on properties zoned Single-Family Residential (RS-1) and Two-Family Residential (RS-2); located at 810 & 811 Austin Street and 818 Kenwood Drive.

The church facilities are considered a lawful conditional use in the RS-1 and RS-2 districts, but in some circumstances the other requested uses can only be allowed through a Special Use approval.

As of 8am on Wednesday, May 26th, staff has received letters and emails in favor and in opposition as noted below (and attached):

Other Information/Recommendation:

Planning staff recommends approval of this request.

This case was heard at Planning Commission meeting on May 17, 2021. Their recommendation was to deny the request by a 3-2 vote (Chair Stribling and Commissioners Davis and Spano voting to deny and Commissioners Jackson and Uherik

voting against the denial).

Based on the recommendation of denial from the Planning Commission, this item will require a supermajority of 6 affirmative votes by Council to approve the resolution.

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY OF SAN ANGELO TEXAS, APPROVING
A SPECIAL USE APPLICATION ALLOWING AN INDOOR MULTI-USE
RECREATIONAL FACILITY AND RELATED RECREATIONAL
ACTIVITIES, DAYCARE, COMMUNITY OUTREACH, COMMUNITY
SERVICES, AND EDUCATIONAL PROGRAMS WITHIN SINGLE-
FAMILY (RS-1) AND TWO-FAMILY (RS-2) RESIDENTIAL DISTRICTS,
LOCATED AT 810 & 811 AUSTIN STREET AND 818 KENWOOD DRIVE**

WHEREAS, an application by Jay Clatworthy, on behalf of LifePoint Baptist Church, was submitted on August 23, 2019 requesting a special use authorization to operate an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs within single-family (RS-1) and two-family (RS-2) residential districts for the property located at 810 & 811 Austin Street and 818 Kenwood Drive, more particularly described as Lots 1-10, Block 14, & Lots 1-5, Block 15, Park Heights Addition, City of San Angelo, Texas, and further depicted in Exhibit "A" attached hereto (the "Property"); and,

WHEREAS, the Special Use was considered by the Planning Commission and forwarded to the City Council on September 16, 2019, with "no recommendation" based on a tie vote per the Planning Commission Bylaws. The City Council subsequently approved the Special Use in Case SU19-03 on September 17, 2019; and,

WHEREAS, the Property is currently used to operate church facilities and such use is considered a lawful conditional use in the RS-1 and RS-2 districts pursuant to the Use Table in Section 313, Chapter 12, Exhibit A – Zoning Ordinance; and,

WHEREAS, the uses proposed for this Case SU21-01 are not allowed by right within either the RS-1 or RS-2 district, but may be authorized by Special Use approval pursuant to Section 209, Chapter 12, Exhibit A – Zoning Ordinance; and,

WHEREAS, Section 313.E. and Section 320.I of the Zoning Ordinance allows for a Special Use to be approved in any zoning district where such use can provide effective transition between less restrictive and more restrictive zoning districts; and,

WHEREAS, the Director of the Planning and Development Services Department filed an application to reconsider the Special Use in Case SU19-03, and has made a recommendation that the Special Use in this Case SU21-01 be approved; and,

WHEREAS, on May 17, 2021, the Planning Commission for the City of San Angelo, in compliance with the City Ordinances and state law regarding zoning regulations and zoning map, having afforded a full and fair hearing on the Special Use application SU21-01, made a recommendation to City Council to deny the Special Use approval by a 3-2 vote; and,

WHEREAS, notice has been duly published of the time and place of a public hearing before the City Council regarding the subject Special Use, which public hearing was held on the 1st day of June, 2021; and,

WHEREAS, the City Council finds that these uses provide effective transition between less restrictive and more restrictive zoning districts due to the site's presence near the edge of the neighborhood, between the core of the neighborhood and the major commercial corridor to the east, being within a campus that already includes non-residential buildings and uses, and being adjacent to a previously approved event center; and,

WHEREAS, the City Council has determined that approval of the Special Use SU21-01, subject to conditions stated herein, is in the best interest of the health, safety and general welfare of the citizens of the City of San Angelo.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF SAN ANGELO, TEXAS, THAT:

- (a) A permanent Special Use in this Case SU21-01 is approved for an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs on the property located at 810 & 811 Austin Street and 818 Kenwood Drive, more particularly described as Lots 1-10, Block 14, & Lots 1-5, Block 15, Park Heights Addition, City of San Angelo, Texas, and further depicted in Exhibit "A" attached hereto.
- (b) The Special Use approval in Case SU19-03 is in all respects rescinded, terminated, and replaced with the Special Use approved in this Case SU21-01.
- (c) The Director of the Planning and Development Services Department is hereby authorized and directed to append the Zoning Maps in the Office of the Director of the Planning and Development Services Department, to reflect the herein described Special Use approval.
- (d) In all other respects, the use of the Property shall be subject to all applicable regulations contained in Chapter 12 of the Code of Ordinances for the City of San Angelo, as amended. The Special Use, as hereby authorized, shall have no fundamental effect upon the subject property's underlying or base zoning classification.
- (e) The Special Use, as hereby authorized, shall be subject to the following Conditions:
 - 1) All new site lighting on the premises shall be shielded, downward emitting and configured in such a manner as to satisfactorily minimize or eliminate light trespass onto adjacent residential uses or lands,
 - 2) Hours of operation for all events shall be limited to between 7:00 a.m. and 8:00 p.m. on weekdays and between 7:00 a.m. and 9 p.m. on weekends,

- 3) No new illuminated signage shall be allowed. Any new signage on the current gymnasium must receive approval thru the Design and Historic Review Commission and apply for any permits associated with the sign,
- 4) Any new sign must comply with nonresidential uses allowed within residential zoning districts standards within the Sign Ordinance (Section 12.04.005(a)(2)),
- 5) The City reserves the right to periodically inspect the property to verify compliance to terms and conditions of the Special Use or to investigate alleged public nuisances resulting from business-related activities. Any adverse findings by City Staff shall constitute sufficient grounds to seek a revocation of the Special Use approval.

PASSED, APPROVED AND ADOPTED on this the 1st day of June, 2021.

Additional Information:

This case was originally considered by the Planning Commission on September 16, 2019. With only 4 commissioners present and voting, a motion to deny this request failed on a vote of 2-2. Therefore, per the Commission bylaws, the case was forwarded to the City Council with “no recommendation”. The City Council heard this case on September 17, 2019 and voted to approve the Special Use by a vote of 6-1. **This case is a review and reauthorization of this Special Use at the request of the Director of Planning and Development Services.**

The church facilities on this property were constructed in 1939 and has operated as a church since. The church facilities are considered a lawful conditional use in the RS-1 and RS-2 districts, since this use was occupying the subject property before the 2000 adoption of the current zoning ordinance. The proposed additional use of a gymnastics facility is not specifically listed in the zoning ordinance, but is most closely related to the Retail Sales and Service classification.

Section 313.E. and Section 320.I of the zoning ordinance allows for a Special Use to be approved in any zoning district “where such use(s) can provide effective transition between less restrictive and more restrictive zoning districts.”

As originally approved, this Special Use allows for an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs on the subject property. This property has operated at this location since September of 2019. There has been one Code violation reported at this property on 9-15-2020 as a sign violation for posting signs in the right-of-way. The property owners complied and promptly corrected the violation. There was no reported Police violations at this property since September of 2019.

1. **Impacts Minimized. Whether and the extent to which the site plan minimizes adverse effects, including adverse visual impacts, on adjacent properties.** Planning Staff believes that impacts on nearby residences have been and will continue to be minimal. The subject property is within a “Neighborhood” designation which may not be appropriate for all retail sales and service uses, but the particular uses allowed by the Special Use have fewer impacts than typical commercial uses. For this reason staff is recommending the special use be specific to the uses stated above and not allow all retail sale and service uses.
2. **Consistent with Zoning Ordinance. Whether and the extent to which the proposed special use would conflict with any portion of this Zoning Ordinance, including the applicable zoning district intent statement.** The subject property is located within the RS-1 and RS-2 zoning districts which does not allow all of the proposed uses by right. A Special Use allows for review of uses that may be appropriate in designated area provided that consideration is given to conditions that will minimize any negative impacts of the use. The proposed uses occupy existing buildings on the subject property and do not increase the floor area of buildings on the property. In addition, the church already has several large existing paved parking areas that accommodate these uses of the property. The gymnastics facility requires a minimum of 28 parking spaces per the standards in the zoning ordinance. The gymnastics facility, Texas Tumbleweeds, has a parking agreement with the church that provides 40 parking spaces specifically for Texas Tumbleweeds and another 59

June 1, 2021

spaces designated as shared spaces. Therefore, the proposed use complies with required parking under the Zoning Ordinance. *Finally, this site is on a major collector street and 2-3 blocks away from an arterial street putting it near the edge of the neighborhood. Being in such a transition area between the core of the neighborhood and the commercial corridor along South Abe Street, as well as being adjacent to the previously approved event center within River Terrace, makes this an appropriate area for such a Special Use per the zoning ordinance criteria.*

3. **Compatible with Surrounding Area. Whether and the extent to which the proposed special use is compatible with existing and anticipated uses surrounding the subject land.** When this case first came forward, Planning Staff had concerns on the suitability of the proposed uses in a location zoned for single-family or two-family homes and adjacent to existing single-family residential uses. However, the lawful conditional use of a church facility on the subject property already results in impacts to the area that will not be increased substantially with these additional uses. In addition, River Terrace is located across Avenue D to the north of the church property. This site includes an event center and restaurant facility that often hosts events for large numbers of people generating peak traffic that likely exceeds the peak traffic for a gymnastics facility. The church facility is already a non-residential use with sufficient parking on-site for the additional uses allowed by this Special Use and there are other approved non-residential uses in the vicinity. For these reasons, Planning Staff is satisfied that the proposed uses will be as compatible with the surrounding area as the existing church facility.
4. **Traffic Circulation. Whether and the extent to which the proposed special use is likely to result in extraordinarily prolonged or recurrent congestion of surrounding streets, especially minor residential streets.** The church and associated facilities for the religious institutions does create traffic flow into the area, as do the uses allowed by this Special Use. However, reviews of this property over the past year have shown that such impacts are limited both in scale and timeframe. The primary adjacent street, West Washington Drive, is a major collector and designed to handle heavier traffic compared to a local street. In addition, additional traffic generated by these uses are less than the traffic generated by the church itself and the nearby event center. In addition, any traffic impacts are limited to short periods at pickup and drop-off times, rather than being continuous, as with a typical commercial use. Staff conducted several site visits during peak times for the indoor gymnasium and found there was no spillover parking on the street and very little activity on the local, residential streets. While it is possible post-COVID there will be additional traffic, Staff believes that the existing parking lot will be able to accommodate this increase.
5. **Effect on Natural Environment. Whether and the extent to which the proposed special use would result in significant adverse impacts on the natural environment, including but not limited to water or air quality, noise, stormwater management, wildlife, vegetation, wetlands and the practical functioning of the natural environment.** Staff does not believe the proposed new uses this will create any negative environmental affects, since the new uses will occupy an existing building on the subject property.

6. **Community Need. Whether and the extent to which the proposed special use addresses a demonstrated community need.** This Special Use allows for indoor recreational and related recreational activities, a daycare, community outreach, community services, and educational programs to San Angelo residents. Staff believes that a recreational facility, like the one proposed, fills a need within our community.
7. **Development Patterns. Whether and the extent to which the proposed special use would result in a logical and orderly pattern of urban development in the community.** Current development patterns would not change. These uses occupy existing church buildings that have been used for similar functions in the past and all necessary parking is available on the site.

Planning Commission Recommendation:

On May 17, 2021, the Planning Commission recommended **denial by a 3-2 vote (Commission Jackson and Commission Uherik against)** of a review and reauthorization of a Special Use to allow an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs, on properties zoned Single-Family Residential (RS-1) and Two-Family Residential (RS-2), located at 810 and 811 Austin Street, and 818 Kenwood Drive. The following is the complete excerpt of the draft minutes from the May 17, 2021, meeting for this case:

III. Regular Agenda

2. Special Use

City Council has final authority for approval of special uses.

A. SU21-01: COSA/Lifepoint Baptist Church

A review and reauthorization of a Special Use to allow an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs, on properties zoned Single-Family Residential (RS-1) and Two-Family Residential (RS-2), located at 810 and 811 Austin Street, and 818 Kenwood Drive.

Shelly Paschal, Planner, presented the proposed reauthorization of a Special Use on the subject properties. She explained that the Special Use was to allow various uses including in indoor multi-use recreational facility, daycare, community outreach, community services, and educational programs. Ms. Paschal then provided a brief history of this case including when it originally went forward on September 16, 2019, where the Planning Commission had given a no recommendation, a tie vote of 2-2, and then to City Council the following day where Council voted to approve the Special Use. Ms. Paschal explained that the Special Use has been operating since the end of 2019, and that there was only one Code violation for posting signs in the right-of-way which was promptly resolved, and there were no violations from the Police Department. She then shared photos of the site and surrounding area, including photos of the parking lot taken at peak traffic times. Ms. Paschal then shared Staff's rationale for approval on the grounds that there were minimal impacts on the neighborhood; that the existing parking more than meets the parking requirements; that the property serves as a transition between the core neighborhood and higher intensity uses in the South Abe corridor; and that there is no substantial increase in impacts from the existing church uses. Ms. Paschal added that there were minimal traffic impacts during the day and that traffic was not continuous like other commercial

activities. Ms. Paschal then indicated that 40 notices were mailed, and Staff received two in favor along with 440 emails and 28 letters in favor, and 29 in opposition, with 15 from parcels and 17 from River Terrace. Ms. Paschal concluded her presentation by outlining the five proposed conditions of approval as presented.

Mr. Jon James, Planning and Director of Planning and Development Services, provide some clarification for the Commissioners and the public on Special Uses. He explained that a Special Use does not change the underlying zoning on the property, but rather, authorizes additional uses not allowed in the underlying zoning. Mr. James further explained that the Special Use specifically limits what is allowed to the requested uses, but would not allow other commercial or retail uses. He then displayed a map showing over the past 55 years in Santa Rita, that there were 55 approved Special Uses including day cares, offices, retail and restaurants.

Chair Stribling asked the difference in the colors on the map.

Mr. James responded that the green properties were those that were approved; the pink were those that were withdrawn; and the red were those that were denied.

Chair Stribling opened public comment.

The Commissioners deliberated over how long each member of the public could speak on this case.

Mr. James indicated that typically the proponent can speak for a longer time, but that members of the public should still be allowed to speak for 3-5 minutes.

Chair Stribling decided that members of the public would be allowed to speak for five minutes each.

Mr. H. R. Wardlaw III, asked if he could speak longer due to representation for litigation.

Chair Stribling asked if Mr. Wardlaw could speak longer such as 8-10 minutes given he represents many of those opposed to the Special Use.

Brandon Dyson, Deputy City Attorney, explained that this would be at the Chair's discretion.

Mr. Dustin Gaines, attorney for Lifepoint Baptist Church and Texas Tumbleweeds Gymnastics, spoke in support of the Special Use. He explained that the church wanted to use the gymnasium to serve the community while Tumbleweeds was looking for a location to operate. He outlined details of a Memorandum of Understanding (MOU) between Lifepoint and Tumbleweeds to enter into an agreement to set out a working agreement that is faith-based. Mr. Gaines explained that the gymnastic program includes prayer and that Lifepoint is involved in the gym, offering prayer. He further stated that there have been no noise complaints, traffic has been minimal, and that he has received a stack of emails in support. He concluded by asking for a favorable decision.

The next speaker named Dave, indicated that he lived in the 1600 block of South Monroe Street, and expressed his support of the Special Use. He explained that there is not a lot of traffic, and that the lawyer Mr. Wardlaw representing the opponents, chose to live on Washington Street which is already busy. He concluded that he was upset with Mr. Wardlaw and believed he was getting paid to represent the opponents.

Mr. Wardlaw indicated that he is working pro bono and is not charging for his legal services.

Ms. Anne West, expressed concern of more commercial uses in the area, and that churches in the past in this area have left and relocated somewhere else.

Commissioner Uherik asked to clarify the difference between zoning and special uses.

Mr. James responded that a special use is not open-ended like a rezoning and that the Planning Commission may impose conditions on a Special Use, which may be as broad or limited as they choose.

Mr. Bill McCormick, a real estate appraiser who has had an office in San Angelo since 1976, indicated that to protect property values we need to be careful, and that once a Special Use is granted, it could set a precedent for more commercial uses.

Ms. Heidi Brooks, a Santa Rita resident and former Planning Commissioner, said that we would not be here today if not for a lawsuit. She expressed that she wanted to keep this as a residential neighborhood, and that since Tumbleweeds moved in, they have not paid taxes. She further expressed her opinion that Tumbleweeds do not have a right to operate a business and not pay taxes. She explained that she passed out a petition with 85 neighbors opposed.

Mr. Wardlaw returned to speak in opposition of the request. He indicated that he is a resident of Santa Rita and an attorney. He indicated that the Special use covers 15 lots, and that since he filed the lawsuit there have not been other commercial developments. He expressed that the original special use is void because proper notice was not given and when notice was sent it was incorrect. He expressed his opinion that the applicant is attempting to reauthorize the SU before the lawsuit case. Mr. Wardlaw then began discussing a separate case on South A&M Avenue and was told by Vice Chair Jackson and Commissioner Spano that he could not continue discussing this case because it was separate from the current case.

Mr. Wardlaw responded that he believed he could discuss because he was not calling for any action on the separate case.

Mr. Dyson responded that Mr. Wardlaw could speak on the other case so long as it relates to special uses in general, but not to take any action.

Mr. Wardlaw continued and expressed concerns of a precedent being set of similar commercial uses in residential areas.

Sarah Rook, a resident of 233 Burlington Road, expressed her support for the Special Use, and indicated that Tumbleweeds provides a place for kids, especially since COVID. She asked if the Special Use was just for the current business, or would still apply to the property if the business was to leave.

Mr. James responded that the Special Use applies to the land, and would allow another recreational use if Tumbleweeds left.

Ms. Rook continued that there was no major traffic, no activity late at night, and children now have a place for activities with their friends.

Lawrence Ricci, a resident who lives across from church, believed that this use should not be in this

June 1, 2021

neighborhood. He used a similar example of a water bottling facility on A&M Avenue and how similarly it was a commercial use which was not a good fit for a residential neighborhood. He then shared the Special Use criteria in the Zoning Ordinance used to evaluate Special Uses, and why he believed that the use is not compatible.

Don Payne, a resident of the neighborhood directly across from the gymnasium, spoke against the Special Use. He explained that if the Special Use is approved, it would be there from now on. He expressed concerns that Special Uses are broad and change the character of the neighborhood. He further expressed his opinion that the church was looking for business to help fund the church.

Nick Negovetich, a resident of 3310 Cumberland Drive, expressed his opinion that there was a difference between a bottling company and a gym. He read into record a letter from his wife in support of the Special Use and Tumbleweeds.

Tina Bean of 520 S. Washington Street, spoke against the Special Use. While she explained that she wants the children and Tumbleweeds to succeed, she was concerned what will happen when Tumbleweeds leaves. She also raised opposition to Lifepoint Church not paying property taxes despite Tumbleweeds being a commercial use.

Melissa Bruns, a resident of 813 Windermere Circle, explained that her daughter attends Tumbleweeds and that she was in support of the request. She also explained that the new gym has a larger space and the new parking lot is safer for her daughter.

Mr. Gaines returned to the podium. He explained that there was no evidence presented today such as traffic or noise that should change staff's recommendation to approve in his opinion. He also indicated that all money received goes into capital improvements for the church. He finally expressed that unrelated business income is allowed for non-profits.

Ms. Anna Wardlaw of 1201 S. Park Street, explained that Tumbleweeds was sent a letter that there was lawsuit pending, and that Tumbleweeds moved in within 90 days of letter anyway.

Chair Stribling closed public comment.

Commissioner Uherik expressed his opinion that adequate notice is given, and that he understands steps are being taken. He also expressed concerns on how to limit or stop commercial uses from encroaching into neighborhoods. Mr. Uherik asked Mr. James if Special Uses can be limited to a particular owner.

Mr. James responded that the Commission can limit the Special Use to the current owner but that it is not recommended.

Mr. Dyson indicated that there is a provision in the Zoning Ordinance to bring back a case within a year, which allows Staff to give adequate notice to be heard.

Commissioner Davis provided her opinion that the gym provides a safe environment for kids to go.

Commissioner Spano indicated that he has not seen any evidence property values have gone down since the Special Use is on the property. He asked Staff if the use left tomorrow, if the church could

hire a gym coach and have a gym here.

Mr. James responded this is correct.

Vice Chair Jackson –indicated that this is a great opportunity for children and a place to do recreation. She indicated that with this business, the traffic is not any worse, and that property values have gone up.

Chair Stribling expressed concerns allowing a commercial use to run with the land, and does not believe it is good for the neighborhood. He explained that he would not like it if the church left and what could go in after. He also indicated that two members were not here today to vote.

Commissioner Uherik asked if the Special Use could be limited to only a gym facility.

Mr. James responded that the Commission could limit the use, number of occupants, or floor area.

Vice Chair Jackson made a motion to APPROVE the request for reauthorization of a Special Use to allow an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs, on properties zoned Single-Family Residential (RS-1) and Two-Family Residential (RS-2), located at 810 and 811 Austin Street, and 818 Kenwood Drive. There was no second. The motion FAILED for lack of a second.

Commissioner Spano made a motion to DENY the request for reauthorization of a Special Use to allow an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs, on properties zoned Single-Family Residential (RS-1) and Two-Family Residential (RS-2), located at 810 and 811 Austin Street, and 818 Kenwood Drive. Commissioner Davis seconded the motion.

Before the final vote could be taken on the denial, Mr. James expressed concerns that not including specific findings for denial could be problematic.

Mr. Dyson explained this was due to the federal law RLUIPA and a Texas State Law Civic Practice Code, Chapter 110 that states a government agency may not substantially burden religious freedom unless the decision has a compelling governing interest and that the agency needs to consider if conditions could be placed on the request that would make it appropriate.

The motion to DENY carried 3-2 with Commissioners Spano and Davis, and Chair Stribling voting in deny, and Commissioner Uherik and Vice Chair Jackson voting to approve.

Recommendation:

Staff's recommendation is for City Council to: **APPROVE** of a reauthorization of this Special Use to allow an indoor multi-use recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs, on properties zoned Single-Family Residential (RS-1) and Two-Family Residential (RS-2) zoning districts, subject to **five Conditions of Approval:**

June 1, 2021

1. All new site lighting on the premises shall be shielded, downward emitting and configured in such as manner as to satisfactorily minimize or eliminate light trespass onto adjacent residential uses or lands.
2. Hours of operation for all events shall be limited to between 7:00 a.m. and 8:00 p.m. on weekdays and between 7:00 a.m. and 9 p.m. on weekends.
3. Any proposed illuminated signage shall be turned off between 11:00 p.m. and 6:00 a.m. Any new signage on the current gymnasium must receive approval thru the Design and Historic Review Commission and apply for any permits associated with the sign.
4. Any new sign must comply with nonresidential uses allowed within residential zoning districts standards within the Sign Ordinance (Section 12.604).
5. The City reserves the right to periodically inspect the property to verify compliance to terms and conditions of the Special Use or to investigate alleged public nuisances resulting from business-related activities. Any adverse findings by City Staff shall constitute sufficient grounds to seek a revocation of the Special Use approval.

Note:

Any time that a building permit is required for major alterations on the gymnasium, the existing parking in the right-of-way adjacent to West Avenue D must be removed and come into compliance with the current requirements regarding right-of-ways and parking lot standards.

Memorandum of Understanding

This Memorandum of Understanding (the "Memorandum") is made on July 04, 2020, by and between Lifepoint Baptist Church, of 810 Austin St., San Angelo, Texas 76903 (hereinafter referred to as "LBC") and Texas Tumbleweeds Gymnastics Llc., of 802 Kenwood Dr., San Angelo, Texas 76901 (hereinafter referred to as "TTG") for the purpose of achieving the various aims and objectives relating to the gospel of the Lord Jesus Christ (the "Gospel").

WHEREAS LBC and TTG desire to enter into an agreement in which LBC and TTG will work together to promote the Gospel;

AND WHEREAS LBC and TTG are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agree are necessary to promote the Gospel;

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the gospel of the Lord Jesus Christ between LBC and TTG.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Gospel by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

a. Services to be rendered by LBC include:

Maintain as of first importance the pursuit of the Glory of Christ in all things.

Provide a gym lease to TTG. The proceeds of the lease, minus expenses related to the respective building, will be used to pay down the capital debt of the church. The payments to principal will be made at least quarterly. When the capital debt has been satisfied proceeds will be used in the maintenance and improvement of church property. The pastor, or chairman of the governing body may use funds in furtherance of church business if deemed necessary, and will notify the membership at the next business meeting. This was approved by the congregation of LBC on 9/15/2019.

Offer literature to the participants of TTG programs that aim at evangelism, and spiritual formation.

Offer spiritual care and counsel to any member of the TTG community.

Offer spiritual oversight and guidance for the mission and work of TTG.

Promote the mission of LBC at TTG activities when requested.

b. Services to be rendered by TTG include:

Maintain as of first importance the pursuit of the Glory of Christ in all things.

Sign and pay a lease payment in accordance with the lease that will ease the financial burden of LBC in the pursuit of its mission for the sake of the Gospel. The proceeds to pay capital debt and defray the cost of facilities and occupancy related costs.

Allow LBC to promote the gospel by disseminating literature provided by the church. Have regular devotions with all participants of TTG. These devotions will be evangelistic and spiritually formative. Conduct activities in accordance with and not contrary to the Statment of Faith of LBC.

Resources

The Partners will endeavor to have final approval and secure any financing necessary to fulfill their individual financial contributions at the start of the planning for the furtherance of the Gospel.

a. LBC agrees to provide the following financial, material and labor resources in respect of the Gospel mission:

Gym facilities, and the above mentioned spiritual resources.

b. TTG hereby agrees to provide the following financial, material and labor resources in respect of the Project:

Fund the lease that will assist the church in maintaining its facilities in furtherance of the mission of both parties.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Gospel and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Coordinated communications should be made with external organizations to elicit their support and further the aims of the Gospel.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Term

The arrangements made by the Partners by this Memorandum shall remain in place for the duration of the lease.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph, or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Texas.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Severability

If any provision of this Memorandum is found to be invalid or unenforceable for any reason, the remaining provisions will continue to be valid and enforceable. If a court finds that any provision of this Memorandum is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision will be deemed to be written, construed, and enforced as so limited.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- a. Each Partner will work together in a coordinated fashion for the promotion of the Gospel.
- b. In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- c. To the extent possible, each Partner will participate in the promoting of the Gospel.

d. Nothing in this memorandum shall obligate any Partner to the transfer of funds. Any endeavor involving reimbursement or contribution of funds between the Partners of this Memorandum will be handled in accordance with applicable laws, regulations, and procedures. Such endeavors will be outlined in separate agreements that shall be made in writing by representatives of the Partners involved and shall be independently authorized by appropriate statutory authority. This Memorandum does not provide such authority.

e. This Memorandum is not intended to and does not create any right, benefit, or trust responsibility.

f. This Memorandum will be effective upon the signature of both Partners.

g. Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the gospel of the Lord Jesus Christ:

Signatories

This Agreement shall be signed on behalf of Lifepoint Baptist Church by James Carl Clatworthy, Pastor, and on behalf of Texas Tumbleweeds Gymnastics Llc. by Landa Knight, its Owner TTG. This Agreement shall be effective as of the date first written above.

Friday, May 14, 2021

To our Mayor, Councilmembers, Planning Commissioners, and fellow citizens,

We are appreciative for your time in re-consideration of our Special Use Permit. We know that each person works diligently, and cares deeply about making our community great. Our desire is to be an excellent neighbor. It is to this end that we write to share our viewpoint and clarify some misconceptions.

The Reason for the Special Use Permit

Our church has in the past years experienced much spiritual growth for which we are thankful. Our current pastor has sought to lead the church by relying on clear imperatives of scripture, rather than athletic programs. When we learned through a mutual associate that Texas Tumbleweeds shared our mindset and purpose, we were led as a congregation to approve their use of our gym.

Ministry End

- The most important issue was our desire to steward the gospel well. We demand that any organization that uses our facility to operate in accordance with and not contrary to our statement of faith. We entered into a memorandum of understanding with Texas Tumbleweeds. We believe that Texas Tumbleweeds motto "do all things to the glory of God" is central to our relationship. We are happy to partner in faithful stewardship of the gospel.
- We are so thankful for Landa Knight, her love for the Lord, service to her students, encouragement, and partnership for the sake of our ministry. Having Texas Tumbleweeds on our property allows us to be available to minister to families directly in our community, provide Lifepoint literature about Lifepoint events, provide a community of Christian athletics, and to expand our mission as a church by using our facilities to carry out our shared purposes for physical, emotional, and spiritual growth of the athletes.
- Should there be a denial of our special use permit, we will immediately file a federal lawsuit seeking an injunction from enforcement of the denial and will vigorously prosecute all available injunctive and monetary relief available under the law.

Property Improvement

We have sought to use the proceeds of the lease to maintain and improve our property. The corporate resolution states that this money be used to either buy down capital debt or maintain the facilities. Our view was and remains that this is in the best interest of not only our church, Texas tumbleweeds, but also the surrounding properties as the LBC property will be improved.

LIFEPOINT BAPTIST CHURCH

810 AUSTIN ST | SAN ANGELO, TX 76903

Neighborhood Respect

We understand the neighborhood that we live in. It was with careful consideration that we applied for a permit. The permit is limited to types of activities that we already engage in as a church. Our facility has been used for these purposes for over 40 years. It is our belief that a gymnastics team fits nicely into our gymnasium. We perceive there would be little noise and appropriate traffic flow.

The Consideration of Facts

We believe every one of our fellow citizens should be heard. We value the input of those who are genuinely impacted. While we trust every person is entitled to their own view, it is essential that we all work from the same set of facts. The church has had to endure many slanderous accusations and misconceptions. We would like to commend to you the clear facts.

Permit not Rezoning

In recent days it has been brought to our attention that some have circulated a petition asserting that our special use permit is an effort to re-zone our property. That could not be further from the truth. A special use permit does not change our residential (RS-1, and RS-2) zoning. It has remained the churches position that at this time commercial rezoning would not be appropriate. The special use permit is a permit that may be recalled at any time if there is sufficient reason to do so. We welcome equitable accountability.

RLUIPA

We believe that our church is due the same opportunity as our neighbors. That is why we find it puzzling that when we received our Special Use Permit a lawsuit was enjoined by residents of the River Terrace. That organization holds the same Special Use Permit for its food service operation. Scores of other secular entities have been given special use permits throughout the years also. If they maintain their permit and we are denied the same privilege this would violate our civil rights under the Religious Land Use and Institutionalized Persons Act.

Further, prior to Texas Tumbleweeds moving into the Lifepoint gym, it operated under a special use permit in its old gym, which was not affiliated with a religious entity. Should it be denied now, since it is affiliated with a religious entity, this denial would be a clear RLUIPA violation and discrimination.

Commercial Entities

It has been asserted that granting our Special Use Permit pierces the veil of allowing commercial business to enter the Santa Rita Neighborhood. To our knowledge there is nothing in the zoning ordinance that prohibits this. Many other neighborhood host commercial entities. We see no reason that Santa Rita

LIFEPOINT BAPTIST CHURCH

receives special treatment. Further, public records show that 56 other commercial entities have been given permission to operate inside the Santa Rita Neighborhood.

Actual Harm

Some have asserted that our Special Use Permit would cause damages to their property. All evidence of increased property value speaks to the contrary. To date we have not been provided one material piece of evidence actual has demonstrated actual harm. Conversely, a refusal to reaffirm our Special Use Permit would cause actual harm to both our church and Texas Tumbleweeds. Both parties have invested in the property. We would suffer loss of revenue, loss of investment if the Permit is not renewed. And, as stated throughout this document, failure to reaffirm here would be a gross violation of our constitutional rights that RLUIPA was enacted to protect.

Purpose of the zoning ordinance

The city had the insight to preface our zoning ordinance with a purpose statement. We include a copy of that purpose statement as way of a helpful reminder. We believe that our Special Use Permit meets affirmatively each one of those purposes.

The Proven Success of our Special Use

We never believed that our application would cause anyone harm. We never thought that a gymnastics team or daycare being on our property would cause controversy. We still believe that what we have done is equitable, thoughtful, and considerate. Over the past year all of our vision for the gym has come to fruition. We are so pleased by the results of the lease which is not limited to the following.

Building Improvements

We have been able to pay down debt on our buildings while working through improvement projects that are ongoing. Our facilities are receiving much needed care. Though not exclusively funded by the lease, there is direct impact because of these proceeds. We will be getting new metal on the entire envelope of our gym, lighting improvements, landscaping and will be adding windows back to our sanctuary. We plan in the future to address deferred maintenance to our parking lots.

Religious Opportunity

Partnering with TTG has given us an opportunity to have an impact on people that we would have never had without this Special Use Permit. The leadership of both organizations support each other in their respective organizational goals. Dividing our mutual relationship from our faith is impossible.

Neighborhood Perception

Though there has been some consternation from some, the outpouring of support from our fellow citizens has been encouraging. Many times, we have been told how surprised some are over the negative reaction from a select group. The silent majority is a blessing to us.

Traffic & Safety

To our knowledge after requesting for records, there have been no reports related to traffic or safety issues due to the gym. We have had zero overflow parking on the street.

Thriving Gymnastics Program

The Gym is doing very well. We have observed TTG mold coaches, young people, and aspiring athletes. The positive impact in their lives is not quantifiable and we are thankful to be a part. Texas Tumbleweeds has seen growth in enrollment, which proves community support in and of itself. TTG also helped parents with afterschool programs during the COVID pandemic.

We are so thankful for the opportunity to have our perspective considered. We are hopeful that we can benefit our community in the years ahead. We welcome equitable accountability at all times.

If there are ongoing concerns that can be addressed with the church directly, please call (325) 655-9319 or email gym@lifepointbc.org. Please include contact information so we may work with you toward solutions.

To Whom It May Concern,

My name is Landa Knight and I own and operate Texas Tumbleweeds Gymnastics at 802 Kenwood Dr. We received our special use permit in October 2019 in order to relocate to Life Point Baptist Church's Family Life Center which was currently being used as a gymnasium. We moved to the Kenwood location late December 2019. We have been conducting gymnastic classes for the past seventeen months without incident, which was clearly presented by Shelly Paschal. The city decided to "review" our permit and we were required to return to the "Planning and Development Commission" for a vote of whether we could continue with our current permit.

The city recommended approving our permit. Much discussion followed and a motion to grant our permit was given. It did not receive a second. Then a motion to deny our permit was called for and seconded. The assistant city attorney, Brandon Dyson and John James who works in planning quickly interrupted asking for discussion on findings and explaining that there were very clear implications that needed to be discussed before moving forward with a vote. The recommendation was ignored and a vote was called for, which carried 3 to 2.

This was clearly a devised plan to deny our permit. Protocol and recommendations from the city attorney were ignored and Travis Stribling, the chairman of the Planning Commission, railroaded the vote through.

The Planning Commission could have allowed the permit and put restrictions on it like they did the first time. Clearly the residents are concerned about what might happen to the property if it were not owned by the church. They could simply have put a restriction that if the property sells, the permit is void. Mr. Stribling was clearly not listening to any reasoning or recommendations at this point as he was determined to carry out his agenda.

So now, City Council has the job of trying to decide what to do with this permit. The City recommends to approve it and the Planning Commission voted to deny it without any Findings! There is absolutely no reason for this outright denial. There was no discussion on how they could work with us as far as restrictions etc. Just a rush to outright deny it!

Travis Stribling's mother is involved in a lawsuit against the City of San Angelo, Life Point Baptist Church and Texas Tumbleweeds Gymnastics. This lawsuit has been going on for nineteen months. She and Winkie Wardlaw are the driving force behind the residents becoming so opposed to the special use permit.

They had posted these false facts on the "Greater Santa Rita" website in order to cause fear and opposition among the residents:

- "The zoning to be reviewed and reauthorized". The Planning Commission was reviewing a Special Use Permit not a Zoning Change. Restrictions could have been placed on the Permit to accommodate any concerns of the residents like it was the first time that it was approved, but Mr. Stribling was not listening to the city attorney's recommendations. He was clearly carrying out his own agenda.
- The Planning Commission will meet to hear once again the request of Life Point Baptist Church to rezone its gym, main church building, vacant lot, chapel, parking lots and the building next to the gym to Commercial Retail Sales. This is just an outright lie meant to cause unwarranted fear

and opposition. The article goes on to say that “this zoning change would allow the church to lease its’ property to others for uses allowed under the Commercial Retail Zoning category. Another tactic to cause fear and opposition in the residents.

The opposition is making it sound like a mall could be built in the parking lot!

And the fact that Mr. Stribling is the son of one of the people suing us and didn’t recuse himself from the vote is clearly a conflict of interest. The fact that he ignored the advise of his own city attorney is a clear indication that he had his own personal agenda to achieve. His reckless behavior has put the city in a very precarious situation regarding discrimination against the church. The same special use permit has been granted to 55 other entities in the Santa Rita area. That’s nothing new. It’s only when there is a personal agenda to be achieved and someone in a position of authority who will abuse his power in office in order to achieve it that it becomes a problem.

As we proceed to the City Council meeting on June 1st, please have an open mind and listen to all of the details. The opposition has been convinced that this is a zoning change and will bring it up over and over again. The residents have been convinced that the Church is going to bring in other “Commercial Retail Sales” which they absolutely have no plan to do. The gym was a gym before I moved into it. And I do pay taxes! Property taxes, Sales taxes, Income taxes, Payroll taxes. Would the residents rather have a vacant building falling in disrepair and inviting vandalism? That would certainly affect their property values.

And please remember, the Planning Commission had absolutely no Findings on which to base their denial.

Please keep an open mind and a clear conscience moving forward.

Sincerely,

Landa Knight

church was simply upgrading their facilities. We are firmly
opposed to any Special Use Zoning in our neighborhood.
We do not wish to live across the street from any type

current patrons parking in front of and blocking our sidewalk
to wait for their children to run across the street rather than
parents driving into a crowded parking lot.

REASON(S) We oppose this Special Use permit on church property which is directly across the street from our house. This would permit the use of church property by a for-profit, retail, private business, which would not otherwise be permitted in a residential neighborhood. The church and business are attempting to circumvent City zoning rules by a "back door" method.

We object to the scope of the requested uses which give unlimited permission for gymnastics classes, day care, undefined community programs, all of which have potential for significant increases in traffic congestion, noise levels, lighting and activity all day, and for into the evening on all days of the week. This is incompatible with residential zoning.

REASON(S) (1) LifePoint Baptist Church and its predecessor churches have always been aware of the residential character of our neighborhood and have, until recently, existed as part of the residential neighborhood. Many residents, myself included, ~~relied upon the churches' fidelity to the residential character of the neighborhood when purchasing their homes. Our neighbor, River Terrace Condominiums, is a residential facility that has a commercial restaurant operation on site to serve the~~ condo residents as well as the public. But that operation does not alter the residential character of the building and, in fact, but for the condos it was created to serve, would not even exist. We appreciate our neighbors at the church but did not anticipate and cannot approve of commercial ventures by the church in our neighborhood, especially when neither formal study nor review is given to the potential impact of such ventures on the neighborhood.

(2) The Special Use Permit, as written, is an omnibus, blanket authorization for ~~potential multiple commercial ventures by the church, only one of which has yet even been identified and none of which has or, if the Permit is approved, will ever be studied or assessed by the City or any other entity for their potential impact, whether individually or cumulatively, upon the neighborhood. Passage of the Special Use Permit amounts to the City's blind advance approval of virtually any commercial enterprise the church might conceive of and locate in our neighborhood, without review and assessment by the City and with no recourse for residents; an abdication by the City of its obligations to its tax-paying residents and property owners.~~

Date: May 10, 2021

TO: San Angelo Planning Division

My family has been proud and fortunate to have owned and lived at 903 S. David St. since the mid-1940s. During that 70+ years, my family and I have witnessed various changes to San Angelo and our neighborhood. Although some neighbors have moved on, I have known many of my neighbors for over 40 years. This continuity doesn't exist by chance. The glue that has held our neighborhood together is the friendly San Angelo spirit and the common goal of keeping the area feeling like a cohesive, residential neighborhood. It is in that vein that I am opposed to any changes to the zoning for the LifePoint Baptist Church or any other similar enterprise in the midst of a residential neighborhood.

Over the past 15 years, I have seen the continued decline in membership of LifePoint and/or its predecessor church. This is easily noted for me as one of their many parking lots abuts my property. Many Sundays, even before Covid, the church would have fewer than 10 cars in this parking lot. I do not know the causes of the decline in membership, as my belief is that many other churches are struggling with similar issues. However, I feel the members of a church are responsible to financially support their parish, not for the parish to exist based on revenue from commercial operations. LifePoint and its many buildings, for good or bad, are immersed in a residential neighborhood where residents, myself included, expect peaceful enjoyment of my property without excessive noise, traffic or other similar disturbances. My family has felt that the expansion of the current LifePoint church campus by previous, unrelated congregations over the past decades was done at the expense of our beautiful, residential neighborhood by destroying residential structures and the associated landscaping and trees to build parking lots and other commons spaces devoid of any character. Allowing the parishioners and church leadership to further impair a residential neighborhood through commercial operations to support their own mission is inappropriate and unfair to residential property owners. It is the duty of parishioners and church leadership to find a way to support their church by increasing donations and membership, not by running a commercial business.

My concern is that any modification to allow LifePoint to receive Commercial zoning and/or pursue commercial enterprises will detract from the cohesiveness of the neighborhood and the quiet enjoyment property owners expect. If any Commercial zoning is approved, it would be difficult to ever limit the future uses of such land, which would negatively impact the surrounding residential property values (and the associated property tax income from these residences). I am dedicated to staying in my home and don't want my home value to decline so that the LifePoint can support itself through business endeavors.

Although it was a creative idea to seek untapped value from their various lightly used buildings, to allow LifePoint to do so at the expense of the surrounding neighborhood seems shortsighted and unfair. If LifePoint is seeking ways to increase their revenue or lower the operating/maintenance costs, I believe they should sell off half or more of their lightly used parking lots (including the one to the West of my house) and return these lots back to their original residential use. Driving down an attractive and historic street like Washington Dr and seeing the prominent asphalt gouges in a landscape entirely devoid of trees or any other attractive features is not

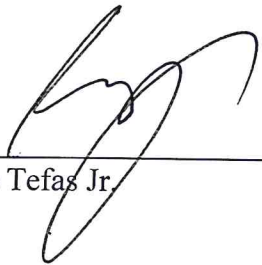

befitting any residential area. These parking lots have been an eyesore the neighborhood for decades. Given the shrinking membership of the church, the need for the associated parking lots has decreased, and it seems logical that LifePoint's divesting itself of unused assets to raise money would be a win-win for the church, the neighborhood and one of San Angelo's historic districts. An attractive new home was even built on Washington Drive in the past year, so the demand for residential housing in our immediate neighborhood is high.

Additionally, as has been mentioned previously regarding this topic, I feel it is inappropriate for a "non-profit" entity to compete against a "for-profit" landlord who has to factor property taxes into their cost projections. Taxes are the unfortunate consequence for living in a great place like San Angelo and to allow certain enterprises which are actively seeking profit to avoid this expense allows them to reap the benefits that taxes provide without any of the associated contribution. Disturbing the sanctity of the neighborhood while not paying anything to support that same neighborhood is a rather bitter pill to swallow.

I appreciate your time and consideration of my comments and hope you will come to the decision to not allow any Commercial zoning in our neighborhood.

Thank you.

Sincerely,

Steve Tefas Jr.

REASON(S) River Holdings, LLC opposes the proposal because we believe the increased traffic in the area would create unsafe conditions for residents and others. It is also likely to significantly increase the noise level at what is residential property.

In our case, most of our condominium residents are elderly, which makes these concerns even greater. Finally, we believe the proposal could lead to a reduction in property values, as well as greater difficulty for owners to sell their properties.

Note that the owner's association of the condominium, River Terrace Condominium Association, is also opposed.

REASON(S) The City allowed the River Terrace to be built about 70 yrs. ago. This

was probably a mistake. But, just because the City made a mistake nearly 70 yrs. ago
does not mean that the Santa Rita neighborhood should be invaded by commercial
development now. While the Church is a good thing, the Church has no
right to change the zoning of a neighborhood. It should be able to
perform its religious, charitable and community activities without
changing the zoning. And it certainly does not need ~~1 1/2~~ square
blocks of commercial property. Santa Rita is an old neighborhood,
as is Lakeview, and does not have deed restrictions to protect them
from commercial development. The City does have a comprehensive zoning
plan that was updated in the early 2000's. We rely on the City's good will and
integrity to abide by the plan it created as so ably demonstrated in its

REASON(S) The authorization of a Special Use to allow an indoor multiuse recreational facility and related recreational activities, daycare, community outreach, community services, and educational programs in order to allow retail sales by the Church is a zone change. The church is provided with needed funds to continue their good works in our community. The neighborhood avoids the blight of an unoccupied and run-down building. Considering the presence of the gym has not brought any issues of noise, traffic, or criminal activity, this is a clear case of a win/win/win scenario. Hello Mrs Mayor Gunter

Just wanted to let you know that I too think the lawsuit against Lifepoint Baptist church is ludicrous. This town shouldn't shudder and be shut down because crotchety rich people complain. The church went through every channel they should have, got approval, and now are being bullied by three residents. Again, I will say it's ludicrous. Not to mention when it came back up before the city, the man in charge happened to be the son of one of the residents suing and DID NOT recuse himself? Come on, we should be better than this. Our city government should not allow this kind of frivolous behavior to rule.

Thank you for your time-
Carrie Aschilean

Please approve again the special use permit for Lifepoint Baptist Church and Texas Tumbleweeds Gymnastics.

This gym has trained hundreds of children since the 1970's, many have gone on to Hugh school gymnastics making San Angelo a leader in that regard. There were concerns from a few residents (initially 3 I believe) about traffic and noise. Neither of these have been a problem in the approximate year and a half we have been in this location.

Please vote for the good of ALL of San Angelo and not a special few with the money to do whatever they wish.

Kathy

My name is Reneé Butts and I'm a member of LifePoint Baptist Church. My husband has been a member of LifePoint for 63-years and my father-in-law and former mayor of San Angelo, Don Butts, has been a member for over 70-years. I'm concerned that the people that live around our church are opposed to the gymnastic program at our church. It's not as if a bar or strip club has gone in, but a program for the youth of San Angelo. If you check back at Central High School's gymnastics program you will discover a number of Central's gymnasts started in the gymnastic program that is being offered at LifePoint. I'm totally blown away by the fact that people of San Angelo are objecting to a program to help the youth of San Angelo. I'm pleading with the City Council to look at this matter objectively and keep in mind the children that are going to be affected.

Thank you!

Hi Mayor Gunter,

My name is Chris Carney and I have lived in San Angelo the past 8 years and also from 1991 to 2001. I writing you in regards to the upcoming vote on special use permit for LifePoint Baptist Church and Texas Tumbleweed gymnastics. I'm not versed in the rule of law but based on everything I've heard and read this is not a rezoning issue but a special use permit that LifePoint and Tumbleweed were granted two years ago and have been operating under for two years with no changes during this time. I don't understand why the city Planning Dept is recommending re-approval is needed when nothing has changed. I do see in the article I read on San Angelo Live that Chairman Stribling is also the son of one of the plaintiffs. Is this not a conflict of interest?

I also see there are 55 other zoning/special use exceptions in Santa Rita to operate secular enterprises with one being only a few hundred feet from the church.

I'm a member of LifePoint Baptist Church and my own kids attended Tumbleweeds when they were younger (it's been a couple decades). I know the positive impact the training and leadership the kids receive at the gym. Even if I wasn't a member

Hi Mr. Thompson, My name is Ashley DeLaCerde and I am a physician at Shannon Hospital. I wanted to reach out to you before the next city council meeting in regards to the special use permit for Texas Tumbleweeds gymnastics school. I want to thank you for voting to approve the special use permit last year. I hope that you will continue to support the program and continue to let them operate at their current facility. Texas Tumbleweeds gymnastics is a small business that has been in operation in San Angelo for over 40 years. In fact, I was a competitive gymnast for coach Landa Knight over 20 years ago and now my daughter competes for her. The program is a great asset to our community and provides a safe place for children to stay mentally and physically active. It keeps them off social media and screens and teaches them life long lessons about hard work, team work and commitment. It is also a faith based program where the kids do a 15 min bible study after each practice. So many positives! I hope that you will consider voting to approve the gyms special use permit and support a long established small business of the San Angelo community. Thank you very much for your time and your service to our community on the council!

Good morning,

I hope this Friday is treating you well. I am emailing, as the subject suggests in regard to the special use permit for Lifepoint Baptist Church. I appreciate the weighty decision for the council on June 1st and know you will be thoughtful in regards to the decision to or not to pull the special use permit granted in 2019 by the city council. In attending the zoning meeting it appears to me that although there were concerns there was no evidence or findings to pull the permit. The traffic has remained minimal, the property values have not decreased, there has been no noise complaints, etc. Rather, there has been a benefit to the community as a whole (San Angelo). The location has provided a safe place for children in the community to interact and be out of the house, something that is extremely limited today. Kids do not have the same freedoms as I did to ride my bike through the streets until the street lights came on. Texas Tumbleweeds being in a safe location is a benefit for the children of San Angelo, our city. I would like to encourage you, as a lifetime resident of this fantastic city, to approve the continued use of the special use permit.

Thank you for your time and commitment to our city, an often thankless job that attracts much criticism and unjust critiques.

Thank you,

I'm writing today in support of allowing Texas Tumbleweeds to continue to operate under the special use permit. It's for the children. You cannot take away something that is GOOD for them.

This fight that's being put up for such a small business just blows my mind. We ALL have better things to do with our time and attention. Please, follow your heart and do what's right. Don't just let money talk.

Thank you for your time. Your service is much appreciated. Have a blessed day.

Good afternoon.

I writing to you to request your support for the reapproval of the special use permit for Texas Tumbleweeds to use the gym at Lifepoint Baptist church.

The request for this special use permit does not involve any rezoning and neither of the involved organizations have had any city violations or any other issues during the last two years while operating under the original permit. There are many businesses in the Santa Rita area that operate under special use permits and this request is no different.

The programs provided by Texas Tumbleweeds are very beneficial to the participants both physically and spiritually. I fully support any programs that focus on the youth of San Angelo and I hope that you will vote in favor of this permit and show your support for them as well.

Thank you for your time and consideration.

Being a long time Paseo de Vaca resident I see nothing wrong with this activity going on at the church grounds. However the zoning must reflect that this property cannot be sold for commercial uses.

Harry,

I hope you are doing well. Reauthorization of Special Use permit #21-01 (COSA/LifePoint Baptist Church) is on the agenda for the June 1 city council meeting. This gym means much to us as our daughter Bella competes for Texas Tumbleweeds. I'm sure you will receive several emails over the next week regarding this permit. I do not want to make any request for your vote. Instead, if you have any questions, concerns, or would like more information regarding the gym and the activities there, then please feel free to email me.

Sincerely,

Nick Negovetich

Dear Mayor Gunter and City Council members,

I am a member of Lifepoint Baptist Church and wanted to voice my opinion concerning the special use permit vote that is coming up soon. I want to urge you to continue to allow us to hold this permit for Texas Tumbleweeds Gymnastics program to use our gymnasium. We are not currently using the gym and having this good reputable group use it keeps the building from being vacant and getting run down. The owner of the program is a responsible woman who keeps the property clean and neat. It is not apparent to the watching eye that anything different is going on there except for our regular church services.

Since Texas Tumbleweeds has used the building I have paid special attention to the traffic and parking. There is no difference in the traffic and parking from our usual church services! We have plenty of parking space that accommodates the needs of the Gymnastics program.

I find it fascinating that there are approximately 50 other special use permits in Santa Rita, and some right around the corner or down the street from Lifepoint Baptist Church, and

To all concerned,

I'm writing to offer an concerned opinion about the special permit for Lifepoint Baptist Church. I see no issue with having the special permit for the Gymnasium Center in the Santa Rita area. This is a child base program no different than many daycares operating in the area. Anytime we can support our youth we should go above and beyond.

Sincerely,
Sandra Preston

I am contacting you and the members of the city council because I am in favor of the city granting the special use permit requested by Life Point Baptist Church. Some of the points that should be considered are:

- We're not asking for a rezoning
- This is a special use permit that we have already been granted an operating under for two years - nothing has changed
- The city's Planning Department has recommended to counsel that we get re-approved for the special use permit
- LifePoint Church in Tumbleweed gymnastics have never had any city violations or troublesome concerns.
- We are providing quality, Health oriented, wholesome, faith based programs for youth in our community.
- There are over 50 other businesses with special use permits operating within the Santa Rita community yet ours is the only one being challenged for no legitimate reason.

I have been a resident of Santa Rita for 11 years.

Good morning. I wanted to write a quick note concerning Lifepoint's special use permit that will be decided on within the next couple days. My daughter attends gymnastics here & absolutely loves it. She's 4 & we have tried other activities but none she's caught on to. This one she looks forward to every week! We just love it here. The teachers, environment, facilities, everything, it's just a great place. Please take all this into consideration when voting on continuing with their permit. It's really a great place with great programs & great people. Thank you for all you guys do for our city.

I am IN FAVOR OF THE RENEWAL OF THE Special Use Permit granted by the COSA and currently held by LifePoint Baptist Church and their tenant Texas Tumbleweeds Gymnastics.

I ask you to weigh the benefits of Texas Tumbleweeds Gymnastics in our community as a whole, particularly for youth, as a character building enterprise and well-organized local, small business and the intent of LifePoint Baptist Church to sustain their church and property with a compatible use of their gym.

I understand the gym has operated with only one complaint (promptly corrected) for 17-20 months since the Special Use permit allowed Texas Tumbleweeds Gymnastics (TTG) to occupy the gym, fix it up, and provide a rent of whatever amount to the church. In my opinion there is no doubt that TTG is a reputable, long-standing, small business in San Angelo. TTG provides positive, confidence building extracurricular activities for young people and employs members of our community. I drive on W. Washington Drive near the gym building almost every afternoon. Never have I noticed a large number of cars on the streets nearby or in the parking lot of the gym. I have not heard one neighbor mention the gym or the business.

I do not believe a harmful precedent will be set if the Special Use Permit is renewed at this time,

Subject: Texas Tumbleweeds Gym

CAUTION: This email was received from an EXTERNAL source, use caution when clicking links or opening attachments.

I am writing in support of the children's recreational gymnasium located in the recreational building owned by Lifepoint Baptist Church between West Avenue D and West Washington Drive.

I no longer live in the Santa Rita neighborhood but I did live there for 14 years and drove or walked by the location many, many times. I am also a parent and a retired CPA giving me a good knowledge base of children and small businesses.

Reasons I support this location for Texas Tumbleweeds (i.e. "the Gym"):

Prior to the Gym moving in and using the building, it was infrequently and only temporarily occupied. Vacant and mostly vacant buildings are susceptible to vandalism, vagrant and or wildlife use and occupancy, and fires. It's been my experience that it is so much better to have buildings in use as much as possible.

The Church and the River Terrace Restaurant both have been located in the neighborhood for many years. Both have similar parking and traffic activity even though the Church is predominantly used on Sunday and Wednesday evening while the restaurant has its highest use during the lunch hour. Many times the restaurant will have parking that exceeds the number of spaces in their lot during lunch (ex: Chamber lunches). The Church can have this situation occasionally on Sunday but not typically on Wednesday evening. The Gym does not add to these times of heavier use because it is predominantly in use after school during the week. The number of cars should not exceed the church parking lot capacity and will be brief as typically parents will be dropping off and picking up children.

Gymnastics is not a rowdy sport that would typically illicit misbehavior and loud noise from either the athletes or the observers. A typical gymnastics school age child and her or his parents are calm, well-behaved and quiet people. I'm sure there are exceptional "gym"people but they should not be feared.

If I still lived in the neighborhood, I would be very glad to have that almost always empty building in use and cared for by a clean, law-abiding, family-oriented, children supporting business such as Texas Tumbleweeds. As citizen of the City of San Angelo I am supportive of the location for the good of the neighborhood, the Church, The Gym, and the City.

Sincerely,

Sharon Rainey Alexander

I am ... in FAVOR granting the special use permit

Reason: I have personally been to and from this gym hundreds of times over the last couple of years and there has never been a problem with traffic or noise. There is no legitimate reason whatsoever not to issue the special permit to the gym. They have not violated any ordinances or caused and commotions for the residents to become distraught about. There are 2 daycares down the street with houses on both sides that have more noise and traffic than this gym does but nothing is said about that. this needs to be dropped.

I am ... in FAVOR of granting the special use permit

Reason: I live in a semi-residential area where several years ago, a WalMart was built - making my neighborhood much busier. But guess what? The noise level and traffic hasn't been an issue AT ALL. And that's with a WalMart - not a small amount of students getting dropped off for gymnastics. Also, I've dropped off and picked up kids at TTG and there's no traffic, noise, or parking issues. The residents that are complaining have absolutely nothing worth complaining about - in my opinion.

I am ... in FAVOR granting the special use permit

Reason: Texas Tumbleweeds has held a special place in my families hearts for many years. It is a place with bonds made that you cannot get anywhere else. To many it seems to just be a gym with kids running around aimlessly, but if you were to look into the heart of the gym you would find that it is a well run gym with God in the center of it. If you were to take away this permit you would be stealing a little girls dream of growing up to become a role model like Simone biles. You would take the passion away and break the hearts of so many young girls. There is no good reason to take the permit away from the gym other than to abandon girls dreams and friendships. We need more positive environments in today's world, and Texas Tumbleweeds is a perfect example of a positive environment where girls can learn to find passion, work hard, and most importantly love God.

Reason: Texas Tumbleweeds should be able to stay right where they are! Gymnastics is a very good sport for kids. There is a place set-up on the second floor where parents can get a very good view of their child's progress and plenty of room for the equipment on the lower floor. Also, the parking is good and safe for the children. It is not the only business in the area. What about RiverView Restaurant at River Terrace? There are daycares in the area that probably have more traffic than the gym. Perhaps the ones that are not in favor of this, visit the gym and watch the kids.

I never see any neighbors out. The Wardlaw's and the Stribling's do not even live close to the gym. TTG would just like a variance. That building has been there for forty years with the other church. The chair in the planning vommission should have recused himself as he is voting how his mother wants him to Vote. TTG is not asking for zone change. It was interesting because the chair had to vote to break the tie. I felt like they did not even discuss a variance they voted for no zone change. It was ramrodded through. This does not hurt the surrounding people. Santa Rita has a strip club a block away for goodness sake. I don't think allowing a gymnastics program can be worse than that.**

And would the neighbors prefer? Children running around because you allowed special use permit or denying it and the church deciding to make it a soup kitchen - non profit so the church can for homeless people and then that is the traffic that is being brought into Santa Rita. I think the choice is clear.

Reason(s):: TX Tumbleweeds is great for aspiring gymnasts. There seems to be no negatives about issuing the special permit. I feel like there are more important issues besides kicking a bunch of hard working kids out of their facility.

Reason(s):: Texas Tumbleweeds has held a special place in my families hearts for many years. It is a place with bonds made that you cannot get anywhere else. To many it seems to just be a gym with kids running around aimlessly, but if you were to look into the heart of the gym you would find that it is a well run gym with God in the center of it. If you were to take away this permit you would be stealing a little girls dream of growing up to become a role model like Simone biles. You would take the passion away and break the hearts of so many young girls. There is no good reason to take the permit away from the gym other than to abandon girls dreams and friendships. We need more positive environments in today's world, and Texas Tumbleweeds is a perfect example of a positive environment where girls can learn to find passion, work hard, and most importantly love God.

Reason(s):: One of my daughters has been deeply impacted by the teaching and training she received from Texas Tumbleweeds while competing in gymnastics. She and her sister have also been a part of the coaching staff at Texas Tumbleweeds and she has led many Bible studies with the team girls during her time as competitor and coach. This organization is not just teaching gymnastics, but is teaching character traits such as kindness, perseverance and a good work ethic. They have certainly proved to be a benefit to Santa Rita and to our community as a whole and should be allowed to continue in their present location.

What is the difference from when the church has festivities going on and this gymnastics?? Nothing other than it being a worship center and the gym being an athletic center. Let the kids enjoy what they love without the worry of grumpy "hobby less" people. I SUPPORT 10000% on keeping this Permit!!

Reason(s):: Having watched Texas Tumbleweeds in operation for over a year I have noticed little to no increase in traffic. I have witnessed parents pull into the parking lot via Austin Street, pull up to the door and let their kids out. In the event of small children parents park in the church parking lot and walk their kids in. Parent usually exit via the side alley between the church fellowship hall and the gym onto Washington. Most of the parents I have seen turn toward Abe street. While I do not live in the immediate area often, even prior to the special use permit. I understand the concern of the immediate residents but we are a single community working toward a better community for the entirety of San Angelo and I believe having this safe environment for the gymnastics is beneficial. So often we hear discussions about the future generation always on electronics and never outside and this provides a safe outlet for many in seemingly unsafe times. I hope the city council continues its support of the entire community.

Mothers and dad's are very concerned about the safety of their children. If the church had it they could open a much different type of mission that might be much less comfortable for the "neighbors". This owner and her family have been in this business for many many years. She has brought nothing but positive to our community.

Reason(s):: The positive impact and training Texas Tumbleweeds provides is invaluable and provides life long lessons to all who attend classes there. My daughter attended more than 20 years ago and still remembers the positive environment and amazing coaches and personnel. To not grant the special permit is the same as saying we don't want to offer our kids a positive, uplifting and safe place they can go and learn more than gymnastics. I support this special permit 110%!

Reason(s):: I fully support granting approval for this special use permit to allow Texas Tumbleweeds to use the gym facilities at Lifepoint Baptist church. There are limited facilities for this type activity. This would be very beneficial to the youth of San Angelo and would improve their health and well-being. I do not feel that it will be detrimental to any of the residents in this neighborhood.

Reason(s):: I have personally been to and from this gym hundreds of times over the last couple of years and there has never been a problem with traffic or noise. There is no legitimate reason whatsoever not to issue the special permit to the gym. They have not violated any ordinances or caused and commotions for the residents to become distraught about. There are 2 daycares down the street with houses on both sides that have more noise and traffic than this gym does but nothing is said about that. this needs to be dropped.

Reason(s):: My granddaughters both attend gymnastics there and I have taken them on several occasions. There has never and I mean never been an issue with traffic and there has never been an issue with noise. The classes are small and spread out, they are not all day long and do not last until late in the evening. If there was not a sign on the outside of the gym no one would ever even know it was there. I hope the city realizes this and the permit remains. A few citizens who think they are "entitled" should not get to dictate to whom, when or where special permits are granted.

Reason(s):: This is a facility geared towards the development of children. What kind of work do we living in where a facility that teaches children hard work, responsibility, and physical fitness is being attacked. The traffic flow is broken up with staggered start and end times for classes and the facility has numerous entrances to its parking lot which breaks up the amount of traffic on any single street. The gym does not create any external noise or light pollution to the surrounding area. It is a building where kids go to get physically fit and learn important life skills. In an age of technology and staying home, this to me is a refreshing ray of hope for the future of our society.

Reason(s):: My daughters attended Tumbleweeds when they were younger. I saw no issues. I also worked at the school across the street. Again no issues. At this location it has more parking and it is more out of the way. Shame on those citizens for raising a fuss. One day these children will become adults and possibly stay here. Don't we want them to be productive members of society. Thank you!

Reason(s):: There are too few places where kids can engage after school you know weekends. This is one of only a handful of places where students can display talents and work toward goals in the spirit of collaboration and sportsmanship. This was originally designed as a school gymnasium, so I see no difference in what they are doing now and what the complaints are now. Please let them continue.

Reason(s):: The gym is an extremely positive and safe space for kids to fellowship and develop a strong work ethic. The physical activity and challenges teach them life long values and healthy habits. For the past year the gym has demonstrated that they can act professionally and responsibly providing a much loved and needed service to our community without disrupting the quiet Santa Rita community. I strongly believe the positive influences far outweigh any negative comments they may present. Please consider renewing the special permit for this small business to continue to serve the community and develop our future San Angelo athletes.

Reason(s):: Excellent opportunity for these youngsters to have access to gymnastic training locally. The site provides a safe and accessible location. Integrity of the church and the business owner is established and ongoing. A win/win for both. Provides the church an opportunity to extend help to a small business.

Reason(s):: My granddaughter, Bella has excelled in gymnastics and looks forward to the time she has with her team/friends. She has poured her heart and soul into this activity for most of her young life and to be told she has no place to go would be devastating to her. This keeps young girls active and out of trouble so, what in the world would it hurt to let them continue to play at what they love?

Reason(s):: My girls participate on the gymnastics team and greatly benefit from their program. This building was designed to accommodate a large numbers of people. There is a spacious parking lot and plenty of distance between the residential areas. The parents come and go peacefully for only a few hours during the week. Reason(s):: The more opportunities our kids have to grow and blossom,
the better! I'm especially proud that it's in our Santa Rita community!!!

We chose to be a part of this neighborhood because of the support and
love we've seen among other habitants, and taking away something so
helpful for kids would dismiss all of the "claims" the Santa Rita
neighborhood/community are known for..... let the kids be kids! Support
local businesses and families! THAT is what we thought Santa Rita was
all about.... don't let so many of us down.

Reason(s):: Texas Tumbleweeds has held a special place in my families hearts for many years. It is a place with bonds made that you cannot get anywhere else. To many it seems to just be a gym with kids running around aimlessly, but if you were to look into the heart of the gym you would find that it is a well run gym with God in the center of it. If you were to take away this permit you would be stealing a little girls dream of growing up to become a role model like Simone biles. You would take the passion away and break the hearts of so many young girls. There is no good reason to take the permit away from the gym other than to abandon girls dreams and friendships. We need more positive environments in today's world, and Texas Tumbleweeds is a perfect example of a positive environment where girls can learn to find passion, work hard, and most importantly love God.

Reason(s):: TX Tumbleweeds is great for aspiring gymnasts. There seems to be no negatives about issuing the special permit. I feel like there are more important issues besides kicking a bunch of hard working kids out of their facility.

Reason(s):: I fully support granting approval for this special use permit to allow Texas Tumbleweeds to use the gym facilities at Lifepoint Baptist church. There are limited facilities for this type activity. This would be very beneficial to the youth of San Angelo and would improve their health and well-being. I do not feel that it will be detrimental to any of the residents in this neighborhood.

Reason(s):: The positive impact and training Texas Tumbleweeds provides is invaluable and provides life long lessons to all who attend classes there. My daughter attended more than 20 years ago and still remembers the positive environment and amazing coaches and personnel. To not grant the special permit is the same as saying we don't want to offer our kids a positive, uplifting and safe place they can go and learn more than gymnastics. I support this special permit 110%!

Reason(s):: There is nothing negative about this type of business in my mind. There should not be questionable persons hanging around.

Mothers and dad's are very concerned about the safety of their children.

If the church had it they could open a much different type of mission that might be much less comfortable for the "neighbors". This owner and her family have been in this business for many many years. She has brought nothing but positive to our community.

I am in FAVOR granting the special use permit

Reason(s):: Having watched Texas Tumbleweeds in operation for over a year I have noticed little to no increase in traffic. I have witnessed parents pull into the parking lot via Austin Street, pull up to the door and let their kids out. In the event of small children parents park in the church parking lot and walk their kids in. Parent usually exit via the side alley between the church fellowship hall and the gym onto Washington. Most of the parents I have seen turn toward Abe street. While I do not live in the immediate area often, even prior to the special use permit. I understand the concern of the immediate residents but we are a single community working toward a better community for the entirety of San Angelo and I believe having this safe environment for the gymnastics is beneficial. So often we hear discussions about the future generation always on electronics and never outside and this provides a safe outlet

for many in seemingly unsafe times. I hope the city council continues its support of the entire community.

Reason(s):: The Gym has been a blessing in our recent move to San

Angelo and from what I've experienced, has been a blessing to many!

The parking lot is plenty large and any given time is no more than 30%

full in my opinion. Traffic is minimal and does not appear to cause

undue disturbance to local residences. Thank you so much!

Reason(s):: One of my daughters has been deeply impacted by the teaching and training she received from Texas Tumbleweeds while competing in gymnastics. She and her sister have also been a part of the coaching staff at Texas Tumbleweeds and she has led many Bible studies with the team girls during her time as competitor and coach. This organization is not just teaching gymnastics, but is teaching character traits such as kindness, perseverance and a good work ethic. They have certainly proved to be a benefit to Santa Rita and to our community as a whole and should be allowed to continue in their present location.

Reason(s):: As a Santa Rita resident (two blocks from LBC & TTG), I find no disturbance or otherwise undesirable affect from of TTG's use of LBC's gymnasium. On the contrary, there is a smile in my heart each time I pass by (which is usually daily) to see kids going to classes to develop them and in a safe neighborhood. I'm pleased that we as Santa Rita residents can "host" these young families and hope others will join me in welcoming them to the neighborhood.

Reason(s):: Texas Tumble Weeds has been a thriving part of the San Angelo community for years. Not only do they provide an outstanding service to the local community but those around San Angelo as well.

Please consider the joy and team building ethics this establishment is teaching our children. They are our future and Texas Tumble Weeds has been a foundation for our youth to build on for years. Please don't take that way from so many young folks that love what they are learning there.

Reason(s):: Our daughters have been going to TTG gymnastics for over 6 years. This is a great opportunity to teach them not only gymnastics skills but also life long skills such as team work, the importance to working hard to accomplish goals, and to have fun doing something you love. Please think about what is best for the kids instead of adult issues... put what should be first, first. Thank you for your support!

Reason(s):: These children need a safe place to display their talents.

The previous building was in such disrepair. Texas Tumbleweeds
needed a place and Lifepoint Baptist Church saw the need and filled it.

Please don't take this from the kids. They need this.

Reason(s):: Texas Tumbleweeds was never a problem when it was located in another neighborhood and should not be a problem for it's new area. Texas Tumbleweeds and Lifepoint Church both benefit from the gym being used. The gym remains used and in good repair. The church is able to remain open and meeting the needs of the people who worship there and the community. Texas Tumbleweeds will have a parking lot for pick up and drop which will keep children safe. This is not a hard decision, the special use permit benefits Texas Tumbleweeds and Lifepoint. I am in favor of granting the permit.

Reason(s):: Children need a safe place to learn sportsmanship and how to compete. It's not just a place for gymnastics, it's a place of friendship and fellowship. These children are learning what it takes to compete, how to be disciplined and how to be a member of a team. They also learn how to support one another and lift one another up when the competition is hard. It's a place where their successes are celebrated and they are able to learn from their failures. If it is taken away they can't simply find a new gym, that would be like having to find a new family.

Reason(s):: There doesn't seem to be any traffic issues when I'm here.

Most pull in the parking lot and out to Washington. Having an active business keeps the building up to standards and code. That seems much better value to the neighborhood than a run-down empty building. Upkeep cost money. Someone has to pay for it. Mostly I can't think of a better use of this building and gymnasium than developing youth into responsible, driven, hard working athletes teaching them life skills, not just gymnastics.

Reason(s):: Please allow this small local business continue to operate at their current location. It is so important to have outlets for our children to learn skills, work hard and develop leadership traits in our neighborhoods here in San Angelo. This church and all facilities have been here for as long as I can remember and I am so happy to see the facility used respectfully and for the children. Isn't this the type of program we should be fostering and nurturing in our neighborhoods? Please vote to let the children play! This is who we are San Angelo!!!

Reason(s):: How many state trophies have been won because the gymnasts that go to Central to accomplish this goal go there to learn and train. This is a good Christian gymn. They won this year with st least 4 gymnast competing at state from TTG. There are very few cars there til around 4 and there are probably no more than 10 which hardly fills up the parking lot. Tell me this they are asking people in River Terrace to oppose this and very few people even drive over their much Jess their parking lot has very few cars in it. The only time you will see cars there in the parking lot is for about 4 hours in the afternoon. These kids learn a lot. They are not noisy. No one playing loud music. Yes they have more disturbances in Sunday at church. Please this is no different than someone teaching piano lessons. Please grant this for the kids in gymnastics. It is a perfect place for gymnastics.

Reason(s):: The children need a place to play and gather together. The additional cars a few days a week isn't interrupting anything and the children are gaining much more from the gym being open. If children want to be a part of an organization that's healthy and positive we should do whatever we can to encourage that. Please don't take the frustration from 2 or 3 people, that don't even have any children, and take away something from the children that is such a positive reinforcement and gets children involved.

Reason(s):: The reasons for granting the special use permit are many, and the valid reasons for denying the permit are none. The use of the facility by Texas Tumbleweeds provides many benefits to San Angelo, including providing a safe environment for children to engage in a healthy activity that promotes their growth physically, emotionally, and, foremost, spiritually. There is no harm done to the neighborhood, to the neighbors, to property values, or the community; the records speaks clearly to that point. Please approve the special use permit requested by Lifepoint Baptist Church. Thank you.

Reason(s):: Texas tumbleweeds gymnastics provides an important opportunity for children athletically and by allowing the use of a special permit Texas tumbleweeds can continue to make a positive impact. We have never seen any major traffic in the neighborhood at the gym that would cause noise or traffic problems. Ryan Barnes

Reason(s):: This gives these kids a good place to do their activities.

There is very little additional traffic because of this activities and their activity times are not at any unusual time frames. The use and activities are very similar to the activities that have been done at this building over the years.

Reason(s):: This small business is providing something our city needs - a positive activity for kids. Use of the church gym for this purpose does not affect the surrounding community in any way. The parking lot is large enough that street traffic is not any different than if the church held an event in one of its buildings. I have no connection to Tumbleweeds or its owner, but I support their effort to provide such a wonderful opportunity to San Angelo's kids, and wish them the best for their business. I hope our city supports them in their efforts as well.

Reason(s):: Always support wholesome and active programs for our children and youth! They're our future! The court system makes enough money off the community where youth become unchallenged by their daily lives having absolutely nothing but trouble to get into! Our children and youth need to be encouraged and challenged to participate in activities for their bodies, minds and souls!

Reason(s):: If the concern is the church might sell and then the land would have commercial zoning, could a clause be put in that states the permit is null and void if not used for this particular entity? Seems to me this is about traffic through the neighborhood. We aren't talking about 100s daily. This is no different than the church having youth group each day of the week, or VBS.

Reason(s):: In FAVOR of NOT REVOKING the existing special use permit. It has no detrimental effects on our community. Special use is granted at River Terrace for commercial business a short distance away, therefore, there is no rational reason to prevent the continuation of the use of the gym, as it clearly aligns with Life Point's Christian mission

Reason(s):: Kids in San Angelo already have limited activities. Santa Rita is a beautiful neighborhood, and having a gym where young kids get to go and express themselves, learn control, confidence and other important values and be in a safe place while doing so, on the OUTSKIRTS of the actual neighborhood is not hurting anyone or devaluing the area. It's a shame that a couple of rich, snooty people want to ruin things for everyone else.

Reason(s):: This special use permit is for the children. This is the only USGA sanctioned gym in San Angelo to help our girls get ready for central, which has a fantastic program due to a place like TTG getting girls ready for the next level. This does not hurt the surrounding people. Santa Rita has a strip club a block away for goodness sake. I don't think allowing a gymnastics program can be worse than that. And would the neighbors prefer? Children running around because you allowed special use permit or denying it and the church deciding to make it a soup kitchen - non profit so the church can for homeless people and then that is the traffic that is being brought into Santa Rita. I think the choice is clear.

Reason(s):: This is a win/win/win. A win for the kids that deserve and need extra curricular activities. A win for the gym owners, and a win for a community minded and community giving church. Reason(s):: It doesn't bring more traffic. Even if it did, roads are public.

That's not a valid argument. As we all know, there are several businesses in the area despite the zoning issue at hand, and yet they are not dealing with these lawsuits. This is a great program for kids that isn't causing any harm to the Santa Rita neighborhood or its residents.

There is simply no reason anyone should have a problem with this. I am 100% in favor of Texas Tumbleweeds staying right where they are!

Reason(s):: What harm is there in children being active in a sport they love? When TX Tumbleweeds was at their previous location, it was at the end of my street, in my neighborhood, in the gym of an old elementary school. It was nice to see the building put to use instead of vacant as it is now. Convenient to those nearby. Not any sort of nuisance or harm ever to see happy kids enter and exit the building.

Reason(s):: The kids that have come from this gym has won state gymnastic championship at San Angelo Central High. This is just a training sight with Christian values and gives kids a place to be to do something constructive. The parking lot is large and there is no noise and very few cars only between 4 to 8. I never see any neighbors out. The Wardlaw's and the Stribling's do not even live close to the gym. TTG would just like a variance. That building has been there for forty years with the other church. The chair in the planning vommission should have recused himself as he is voting how his mother wants him to Vote. TTG is not asking for zone change. It was interesting because the chair had to vote to break the tie. I felt like they did not even discuss a variance they voted for no zone change. It was ramrodded through. Some members were not there Please allow variance so TTG can have

their gymnastics there.

Reason(s):: Landa and TTG have my full support. She ran into opposition at her last location(on A and M Avenue) and proved all the nay sayers wrong! My daughter went to TTG's old location for 3 years, and excelled under Landa and her staff.

Reason(s):: I live in a semi-residential area where several years ago, a WalMart was built - making my neighborhood much busier. But guess what? The noise level and traffic hasn't been an issue AT ALL. And that's with a WalMart - not a small amount of students getting dropped off for gymnastics. Also, I've dropped off and picked up kids at TTG and there's no traffic, noise, or parking issues. The residents that are complaining have absolutely nothing worth complaining about - in my opinion.

Reason(s):: Churches throughout this city are a host to many programs like this. They provide immeasurable value to communities, and most importantly families across this city and those surrounding it. Denying this permit sets a terrible precedent for the myriad other programs that are offered citywide.

Reason(s):: The church is providing a space for a faith-based athletic group to meet. There is no reason why the special use permit should not be allowed. It has zero negative impact on the residential neighborhood surrounding the church.

Reason(s):: We need more places for our youth to be able to enjoy and be in a safe, nurturing environment. Bigger cities have amenity centers for their subdivisions. I wish each area had a safe hang out spot for families to enjoy and Santa Rita could be the role models in doing just that by allowing this church to continue to allow children to play safely in their building. We want San Angelo to grow. We want our youth to be productive members of society. Let's give them the opportunity to stay so busy they have no time for troubling behavior. It's time we support and invest in our youth.

Reason(s):: Texas Tumbleweeds should be able to stay right where they are! Gymnastics is a very good sport for kids. There is a place set-up on the second floor where parents can get a very good view of their child's progress and plenty of room for the equipment on the lower floor. Also, the parking is good and safe for the children. It is not the only business in the area. What about RiverView Restaurant at River Terrace? There are daycares in the area that probably have more traffic than the gym. Perhaps the ones that are not in favor of this, visit the gym and watch the kids.
