Recognition

Parks Manager Michael Hitchcock retired from the City of San Angelo January 31, 2022, with 32 years of service. Mike began working as a Parks Groundkeeper in 1989 and worked his way up to Parks Manager, a position he has held for the past 10 years.

Over the years, Mike has remained dedicated to the Parks Division and its mission to acquire, develop, and maintain parks that enrich the quality of life for residents and visitors alike, and preserve them for future generations. His work ethic, enhanced knowledge, and unwavering passion for safe and enjoyable sites are vastly displayed in our parks throughout San Angelo.

Mike's work history included many accomplishments. A few examples include maintaining his Certified Playground Safety Inspector status, improving the Parks workorder system, continuing input into the Parks asset inventory, designing and implementing Brentwood and Unidad Park renovations, producing detailed managerial documentation, conducting numerous park inspections and consultations, and sustaining a safe environment for employees and the citizens enjoying our parks.

Mike will be missed by many. We wish to honor him for his service and congratulate him for this well-deserved retirement. We are blessed to have had such a dedicated employee who remained committed to the service of our great city for over three decades.

Therefore, I, Brenda Gunter, Mayor of the City of San Angelo, Texas on behalf of the City Council, recognize and applaud

MICHAEL HITCHCOCK

for his achievement and positive determination to make a difference in San Angelo.

In Witness Whereof, I have set my hand and have caused the Official Seal of the City of San Angelo to be affixed this 1st day of February 2022.

Brenda Gunter
Mayor of the City of San Angelo

City of San Angelo, Texas
Regular City Council Meeting
Tuesday, January 18, 2022

Present:

Mayor Brenda Gunter
Mayor Pro tem Tom Thompson, SMD 2
Council Member Tommy Hiebert, SMD 1
Council Member Harry Thomas, SMD 3
Council Member Lucy Gonzales, SMD 4
Council Member Larry Miller, SMD 6

1. Call to Order

With a quorum of the City Council Members present, Mayor Gunter called the regular session of the San Angelo City Council to order at 8:30 a.m. on Tuesday, January 18, 2022 in the San Angelo McNease Convention Center, 501 Rio Concho Drive, San Angelo, Texas 76903.

2. Chaplain Prayer & Pledges

An invocation was provided, and pledges were led, by San Angelo Police Department Chaplain Ralph Dawkins.

3. Proclamations/Recognitions

January 2022 was proclaimed as School Board Recognition Month.

4. Public Comment

Mayor Gunter announced the City of San Angelo, Tom Green County, San Angelo ISD and Goodfellow Air Force Base have joined forces with Angelo State University and the University of Texas at San Antonio to enhance cybersecurity in our community. UTSA's Center for Infrastructure Assurance and Security received a grant from the National Security Agency and will be working with multiple communities, beginning with ours to bring awareness and education regarding the threats posed by the world of technology. Please complete the survey if you received one via email.

Citizen Richard Bauerlein (SMD5) provided an update on his request to close the alley near his home.

Operations Assistant Director Patrick Frerich stated the city is actively trying to find a solution to the traffic congestion along Knickerbocker. However, the roadway belongs to TXDOT, so we are limited in our involvement.

City Attorney Theresa James addressed concerns over the fiber installation project around town and explained the right-of-way can be accessed for public need/public benefit.

Consider terminating a lease agreement with Ranger Aviation for an aircraft storage hangar located at 8534 Hangar Rd. and authorizing the City Manager to negotiate and execute all related documents (Jeremy Valgardson)

Staff Recommendation:

Approve

Summary/History:

Ranger has been leasing the old South Amcom Hangar (8534 Hangar Road) since 2017. When Ranger entered the lease agreement with the city it was understood that the hangar did not meet the current fire code for business aviation use and could be used for "aircraft storage only." The City and Ranger agreed that the hangar would only be leased "month to month terminable at will" to allow for acceptable use under the fire code. The month to month lease was done to allow Ranger and/or the City to terminate the lease if there was a more current and better use for the hangar.

Skyline has agreed to lease the hangar and associated parking lot, make the necessary improvements to meet the fire code, and provide a "world class" fixed-based operation. Skyline is partnering with COSA DC to make the improvements. The project scope includes relocating the rental car ready return lot near the remodeled hangar, thus, allowing for more short-term parking at the commercial terminal.

I ran this proposal by the FAA compliance team, and they concur that this would be a better use of the hangar and we will not violate any grant assurances by terminating the lease with Ranger Aviation, and executing a new lease with Skyline Aviation.

Financial Impact:

Rangers current annual lease: \$39,612

Skyline's new annual lease: ~\$78,000

Consider awarding FS-02-22 Quarter Ton Pickups to Jim Bass Ford (San Angelo, TX) in the amount of \$153,290, for the purchase of five units, with the option to purchase one additional unit, and authorizing the City Manager to negotiate and execute all related documents (Ryan Kramer)

Staff Recommendation:

Approve

Summary/History:

Bids were requested and received for the purchase of quarter ton pickups. One vendor responded with two vehicles offered (Jim Bass Ford, San Angelo, TX). Original award by Council on January 4, 2022 for Nissan Pickups as bid. The vendor has declared that they could no longer offer these vehicles. Therefore, this approval will be for a similar purchase of Ford pickups. Units purchased under this award will replace units that have exceeded their intended life expectancy or for use as needed by multiple departments. Funding for these purchases includes the General and Water Funds.

Council approval is requested to purchase 5 units with the option to purchase 1 additional unit due to unforeseen circumstances. This bid includes a second year escalation clause that would allow for purchases through FY23. Requirements of this escalation include pricing increases of 4% or less of the bid amount with no major changes to the specifications of the vehicle.

This RFB was sent to multiple local and out of town vendors, with one response received.

Funding Source(s):

Financial Impact:

Staff recommends awarding FS-02-22 Quarter Ton Pickups to Jim Bass Ford (San Angelo, TX) in the amount of \$153,290, for the purchase of 5 units with the option to purchase 1 additional unit. These funds are budgeted in FY22. This bid includes a second year escalation clause.

Other Information/Recommendation:

Staff recommends awarding FS-02-22 Quarter Ton Pickups to Jim Bass Ford (San Angelo, TX), for the purchase of 5 units with the option to purchase 1 additional unit.

REPORT TO MAYOR & MEMBERS OF CITY COUNCIL

Requestor: Charles Michalewicz, Engineer, Public Works, 325-657-4201

Meeting Date: February 1, 2022

Item type: Consent Item

Consider awarding Task Order # 5 under ES-06-19 Engineering Services to Freese & Nichols Inc. in the amount of \$253,550 for Sunset Lake and Parkview Lake Dredging Design and authorizing the City Manager to negotiate and execute all related documents (Shane Kelton)

Staff Recommendation:

Approve

Summary/History:

Sunset Lake and Parkview Lake, respectively, are stormwater detention ponds with both an aesthetic and functional purpose. The Lakes are part of the City's mapped stormwater channel and improve water quality by slowing the flow of water which allows suspended contaminants to settle before continuing down the Arroyo.

The sedimentation loading in the lakes has decreased the ability of these ponds to function as designed. Additionally, sampling and analysis have determined that stormwater discharges into Sunset Lake contain a significant amount of nitrogen and phosphorus from fertilizer. This nutrient-rich water along with the shallow water depth and sediment loading result in the lake becoming covered with moss and other aquatic vegetation. This vegetation uses all of the available oxygen in the water, which has resulted in several fish kills over the last several years and a continuous odor problem.

This project, identified in the City's Capital Improvement Plan, would increase the depth of the Lakes through dredging and removal of the collected sedimentation. The increased depth will make them more efficient at removing suspended solids and other contaminants from stormwater as well as better balance the nutrient levels in the Lakes.

In this task order, Freese and Nichols will perform professional engineering services to design the needed dredging plan and material disposal plan for the project.

Funding Source(s):

Financial Impact:

The project is listed in the City's 2021-2026 CIP program. Monies for the project are budgeted and available in the Stormwater Fund.

Other Information/Recommendation:

Staff recommends awarding Task Order # 5 to Freese and Nichols, Inc.

Re: Sunset and Parkview Lake Dredging

Dear Mr. Michaelwicz:

Per the City's request we propose the following scope and fee for engineering services related to dredging design for Sunset and Parkview Lakes. We appreciate the opportunity to continue to partner with the City of San Angelo. We have proposed a scope that meets the needs of this project and is attached. A summary of the costs is shown in the table below.

Basic Services	
Project Management/Quality Management	\$ 18,650
Preliminary Design	\$ 37,150
90% Design	\$ 35,900
Final Design	\$ 15,650
Bid Phase Services	\$ 7,200
Engineer of Record Services	\$ 24,200
Total Basic Services	\$ 138,750
Special Services	
Sediment Sampling and Bathymetric Survey	\$ 45,000
Sediment Characterization	\$ 7,400
Environmental Permitting	\$ 62,400
Total Special Services	\$ 114,800
Total	\$ 253,550

We have provided the scope and breakdown of effort for your review and comment. Freese and Nichols, Inc. appreciates this opportunity, and we would like to meet with you to discuss these services at your convenience.

Sincerely,

John Dewar, P.E.
Vice President

SCHEDULE A TASK AUTHORIZATION

Client: City of San Angelo. 301 West Beauregard Avenue San Angelo, TX 76903 Attn: Charles Michaelwicz	FNI Project No.: Phase/Task/Dept. No.: Date: 01/21/2022
This authorization is in accordance with the terms and conditions outlined in the Master Agreement executed on <u>12/1/2019</u> and expires on <u>11/19/2022</u>.	
Project Description: Sunset Lake and Parkview Lake Dredging Design; San Angelo, TX Description of Services: It is our understanding that the City of San Angelo (City) desires to develop drawings and specifications for dredging of sediment from Sunset Lake and Parkview Lake. Based on past discussions, our understanding is that upstream developments have created increased sedimentation within the lakes. This project includes a preliminary design report, final engineering, permitting, bid phase and construction phase services associated with the maintenance dredging of Sunset Lake and Parkview Lake. Goals of the Project are as follows: • Perform bathymetric survey and acoustic sub-bottom survey of Parkview Lake. • Sediment sampling of the post-impoundment sediment along the sub-bottom survey lines. Sediment characterization analysis will provide pertinent geotechnical information and determine concentrations of potential chemical of concern in the material. Chemical analysis will be performed for Parkview Lake only. • Prepare a preliminary design report that summarizes the design basis to perform maintenance dredging and quantifies the amount of material to be removed. • Identify decant site locations. • Preparation and submittal of environmental permitting documents to the U.S. Army Corps of Engineers (USACE). • Prepare construction contract documents for maintenance dredging of Sunset Lake and Parkview Lake. • Provide bid and construction phase services for the project. ASSUMPTIONS In developing the scope of work and associated task budgets discussed in this proposal, FNI has made the following assumptions outlined below. • Disposal will occur at the landfill or other City owned property. • No land survey of potential decant sites will be performed. • A single dredge launch and removal location will be identified and developed for environmental permitting and inclusion in construction documents. • Dredge and return water pipeline will be routed within ROW and no easement acquisition is necessary for the route. Basic Services: Design FNI shall render the following professional services in connection with the development of the Project: A. PROJECT MANAGEMENT: FNI shall provide professional services in this phase as follows: 1. FNI shall manage scope, time, cost, quality, staff resources, communications, and procurement as necessary. This includes but is not limited to: a. Monthly Invoicing: FNI will prepare and submit monthly invoices to the City for payment. b. Monthly Reports: FNI will prepare and submit monthly status reports to the City with FNI's monthly invoice. Monthly status reports will comprise a one-page summary of the progress to date on the project, work completed during the prior month, work anticipated to be completed during the upcoming month, and discussion of any scope, schedule, or budget issues that may need to be resolved.	

- c. Quality Assurance / Quality Control: FNI will develop and implement a QA/QC plan for the work.
2. Meet with City staff to kick-off the project and discuss current issues at Sunset Lake and Parkview Lake. The kick-off meeting will be conducted virtually.
3. Conduct monthly conference calls or TEAMS meetings to discuss status, information needs, technical issues, and schedule.
4. Perform one (1) site visit to review up to two (2) decant site locations. No land surveying will be performed.

B. PRELIMINARY DESIGN REPORT

1. FNI will develop a preliminary design report (PDR). The following items will be discussed in the PDR.
 - a. Bathymetric Survey Results and Geotechnical Evaluation
 - b. Dredge Methods and Recommendations for Design
 - c. Disposal Methods and Recommendation for Design
 - d. Analyze Maintenance Dredging to Original Impoundment Contours
 - e. Decant Siting Analysis (up to two (2) sites)
 - f. Permitting Requirement for Maintenance Dredging
2. Meet with the City to present the PDR. FNI will provide the City with an electronic copy (.pdf) of the PDR. Revise the PDR based on comments received at the meeting.

C. DESIGN

1. Prepare construction drawings for the proposed dredge project. Due to the short time-frame for this project, it is anticipated that a 90% and 100% set will be prepared. Plans are anticipated to include.
 - a. Cover sheet, sheet index, vicinity map
 - b. General construction notes
 - c. Approximate coordinate control based on the bathymetric and sub-bottom surveys described previously in the scope of work.
 - d. Locations of allowed access and staging areas
 - e. Disposal area locations, limitations, and notes
 - f. Dredge area locations, limitations, and notes
 - g. Special information is required by the USACE permit
 - h. Applicable geotechnical information
2. Prepare contract documents, technical specifications, and cost estimates for the 90% and 100% submittals.
3. Prepare a bid form with quantity estimates.
4. Provide the City with an electronic copy (.pdf) and five (5) hard copies each of the 90% and 100% design submittals.

D. BID PHASE

1. Upon completion of the design services and approval of "Final" drawings and specifications by City, FNI will proceed with the performance of services in this phase as follows:
 - a. Assist City in conducting a pre bid meeting with Contractors.
 - b. Assist City in securing bids by providing City with a list of prospective contractors and vendors.
 - c. Assist City by responding to questions and interpreting bid documents. Prepare and issue addenda to the bid documents to plan holders if necessary.
 - d. Furnish contractor copies of the drawings and specifications for construction pursuant to the General Conditions of the Construction Contract.

E. ENGINEER OF RECORD SERVICES (CONSTRUCTION PHASE)

1. FNI will make a total of 5 site visits (1 person each visit, could include construction manager/inspector, project manager, or project engineer) to observe the progress and the quality of work at key stages of construction and to attempt to determine in general if the work is

proceeding in accordance with the Construction Contract Documents. In this effort FNI will endeavor to protect the City against defects and deficiencies in the work of Contractors and will report any observed deficiencies to City and Project Manager. Visits to the site in excess of the specified number are an additional service.

2. Notify the Contractor of non-conforming work observed on site visits. Review quality related documents provided by the Contractor such as test reports, equipment installation reports or other documentation required by the Construction contract documents.
3. Revise the construction drawings in accordance with the information furnished by Contractor reflecting changes in the Project made during construction. Five (5) half-sized sets and two (2) full-sized sets of prints of "Record Drawings" shall be provided by FNI to City.

SPECIAL SERVICES: FNI shall render the following professional services, which are not included in the Basic Services described above, as authorized by the City in connection with the development of the Project:

A. SEDIMENT SAMPLING AND BATHYMETRIC SURVEY

1. FNI will subcontract with a subconsultant to conduct a sediment survey of both Sunset Lake and Parkview Lake. A bathymetric survey of Parkview Lake will also be performed, FNI will use City-provided bathymetric survey information for Sunset Lake.
2. The sediment survey includes a bathymetric survey (Parkview Lake only) and a perimeter definition survey. The sediment survey protocol will be the same at both sites. Following the acquisition of the acoustic survey, 6 core samples will be taken of the post-impoundment sediment along the sub-bottom survey lines at both lakes. These 6 cores will be used as ground truth for the acoustic processing and for bulk density, moisture content, Atterberg limit, settling column test, and grain size analysis. Three (3) additional core samples will be collected and provided to FNI for use as examples of sediment to be stored as additional information for potential dredging contractors. The core samples will be acquired using a 3" diameter VibeCore.

B. SEDIMENT CHARACTERIZATION

1. The City has performed sediment sampling and testing in Sunset Lake. FNI will perform sediment sampling and testing in Parkview Lake. A laboratory analysis shall be performed for identified potential chemicals of concern (COCs) including: priority pollutant metals, chlorinated herbicides, organochlorine pesticides, and organophosphorous pesticides. A letter report will be prepared documenting findings. Data will be compared to appropriate protective concentration limits established by the Texas Commission on Environmental Quality (TCEQ) for sediment and soils.

C. ENVIRONMENTAL PERMITTING: This scope assumes that the proposed dredging project can be designed to meet the terms and conditions of Nationwide Permit (NWP) 3 Maintenance with a pre-construction notification (PCN).

1. Prepare a Jurisdictional Determination (JD) report. The report will include a description of field observations, an opinion of whether or not jurisdictional water are present, and if so, the type. This scope assumes that all proposed project components will occur within the normal pool of Sunset Lake and Parkview Lake and that the U.S. Army Corps of Engineers (USACE) will consider all impacts as open water. Therefore, a wetland delineation is not included in this scope. The JD report will be submitted with the pre-construction notification (PCN) to the USACE.
2. Prepare a PCN for submittal to the USACE. FNI will attach all appropriate documents as required and formatted in compliance to USACE requirements. The PCN will require engineering drawings that are sufficiently complete so that substantial changes will not occur to the design once the PCN is submitted. FNI will submit the PCN to the USACE. FNI will finalize the PCN based on the USACE comments.
3. Follow up with the USACE to address questions and requests for information regarding the PCN. Attended up to one (1) meeting at the site with the USACE and up to two (2) meetings with the USACE at the Fort Worth District office.
4. Conduct desktop survey for previously documented cultural resources in the project area, for demonstrating compliance with Section 106 of the Historic Preservation Act and the Antiquities Code of Texas. This will include a coordination letter that will be sent to Texas Historic Commission (THC) for review.

Deliverables:

Electronic Copy of the Preliminary Design Report

Electronic Copy and Five (5) Hard Copies of Contract documents, technical specifications, and cost estimates for the 90% and 100% submittals.

Compensation shall be in accordance with Attachment CO.**Amount of this Authorization****\$253,550.00****Schedule shall be as follows:**

- Site Visit/Inspection – to be determined
- Preliminary Design Report – 2 months following site visit/inspection
- 90% Design Documents - 8 weeks following receipt of City comments
- Final Design Documents - 2 weeks following receipt of City comments

If FNI's services are delayed through no fault of FNI, FNI shall be entitled to equitable adjustment of compensation and FNI shall be entitled to adjust contract schedule consistent with the number of days of delay.

The above described services shall proceed upon return of this Task Authorization. Services will be billed as they are done. All other provisions, terms, and conditions of the agreement for services which are not expressly amended shall remain in full force and effect.

☒ This Task Authorization will serve as notice to proceed.

Other direct expenses are reimbursed at actual cost times a multiplier of 1.15. They include outside printing and reproduction expense, communication expense, travel, transportation and subsistence away from the FNI office. For other miscellaneous expenses directly related to the work, including costs of laboratory analysis, test, and other work required to be done by independent persons other than staff members, these services will be billed at a cost times a multiplier of 1.15. For Resident Representative services performed by non-FNI employees and CAD services performed In-house by non-FNI employees where FNI provides workspace and equipment to perform such services, these services will be billed at cost times a multiplier of 2.0. This markup approximates the cost to FNI if an FNI employee was performing the same or similar services.

These ranges and/or rates will be adjusted annually in February. Last updated 2021.

Consider awarding Task Order # 2 under ES-06-19 to Plummer Associates, Inc. for Concho River Water Project TPDES Permit Processing Support and Coordination in the amount of \$123,770 and authorizing the City Manager to negotiate and execute all related documents (Allison Strube)

Staff Recommendation:

Approve

Summary/History:

The Concho River Water Project is a move to extend San Angelo's sources beyond its lakes and the Hickory Aquifer. It will do so by adding a reliable and sustainable source that will help meet water needs for decades to come. The project involves releasing highly treated water from the City's wastewater treatment plant into the Concho River. After it has flowed down that "natural pipeline," the water will be recouped farther downstream. From there, it will be piped to the water treatment plant, where it will undergo advanced treatment and be treated to drinking water standards.

The City has submitted to the Texas Commission on Environmental Quality (TCEQ) the two permits for this project that are necessary for the project to move forward. Plummer previously completed City's TPDES permit application and provided associated regulatory support under a separate contract.

This task order will allow Plummer to provide permit application processing support for the TPDES permit application. This will involve work with the regulatory agency, TCEQ, reviewing and responding to any questions or notices during technical review and reviewing and responding to the draft amended TPDES permits prepared by TCEQ. Plummer will also provide water quality modeling services needed to support processing of the TPDES permit application by the TCEQ.

When completed, the Concho River Water Project will produce about 7.5 million gallons per day. By comparison, the Hickory Aquifer is currently capable of producing 8 million gallons per day, although that is being expanded to 12 million gallons.

Funding Source(s):

Financial Impact:

Budgeted in fiscal year 2022 utilizing Water & Wastewater Capital funds.

Other Information/Recommendation:

Staff recommends Task Order No. 2 be accepted and the City Manager be authorized to execute any related documents.

**Attachment A: Scope of Services for Task Order No. 2
to the
Engineering Services Agreement
Concho River Water Project**

Background

The City of San Angelo ("OWNER") is advancing the Concho River Water Project ("Project"), a long-term water supply project intended to address the OWNER's projected water supply shortage through reclamation of discharged wastewater. The Project will include obtaining an amended Texas Pollutant Discharge Elimination System (TPDES) permit authorizing the discharge of 12.0 million gallons per day (MGD) of fully treated wastewater into the Concho River; upgrades to the OWNER's existing water reclamation facility (WRF) to improve the quality of wastewater discharged from the WRF; upgrades to the OWNER's existing water treatment facility (WTF) to improve treatment technology at the WTF; and construction of new conveyance facilities between the WRF and the proposed Concho River outfall, and between the WTF and the proposed downstream raw water diversion point on the Concho River.

The Project will be developed in accordance with applicable regulations of the Texas Commission on Environmental Quality (TCEQ) and all other appropriate federal, state, and local laws. In general, the Scope of Services for developing the Project under this Engineering Services Agreement are anticipated to include:

- Task Order 1 – Water Quality Data Analysis and Water Quality Modeling
- Task Order 2 – TPDES Permit Application Processing and Coordination
- Task Order 3 – Pilot Study Development and Operation for the Water Treatment Facility
- Task Order 4 – Water Reclamation Facility Upgrades and Conveyance Facilities to Concho River Outfall
 - o 4A – Preliminary Design Phase
 - o 4B – Detailed Design Phase (100%)
 - o 4C – Construction Administration Phase
- Task Order 5 – Water Treatment Plant Upgrades
 - o 5A – Preliminary Design Phase
 - o 5B – Detailed Design Phase (100%)
 - o 5C – Construction Administration Phase
- Task Order 6 – Conveyance Facilities from Concho River Diversion Point to Water Treatment Plant
 - o 6A – Preliminary Design Phase
 - o 6B – Detailed Design Phase (100%)
 - o 6C – Construction Administration Phase

Task Order No. 2 Scope of Services

The ENGINEER will provide engineering services as follows:

BASIC SERVICES

I. TPDES Permit Application Processing

ENGINEER will provide permit application processing support for the TPDES permit application. This subtask will include reviewing and responding to any questions or notices during technical review and reviewing and responding to the draft amended TPDES permits prepared by the TCEQ.

This subtask does not include preparation for or involvement in a contested case hearing. Should the permit application proceed to a contested case hearing, a contract amendment would be required.

II. Modeling Coordination

ENGINEER will provide water quality modeling services needed to support processing of the TPDES permit application by the TCEQ.

III. Coordination Meetings

Coordination calls between the OWNER, ENGINEER, and other team members will be required during permit processing. Budget is allocated for continuing coordination calls.

IV. Project Management

Project management includes management and coordination of project tasks, ongoing management of the project schedule, preparation of progress reports and invoices, oversight of quality control activities and other administrative tasks necessary for successful completion of the project.

SPECIAL SERVICES

Additional funds are included as Special Services for unanticipated work not included under Basic Services. Special Services shall be authorized by OWNER in writing.

**Attachment B: Compensation for Task Order No. 2
to the
Engineering Services Agreement
Concho River Water Project**

Compensation for Basic and Special Services – Standard Hourly Rates Method of Payment

- A. OWNER shall pay ENGINEER for Basic Services set forth in **Attachment A** (Task Order No. 2), as follows. Invoices for payment shall be submitted on a monthly basis, and are subject to written acceptance by OWNER's Project Representative.
1. The amounts billed for ENGINEER's services will be based on the cumulative hours charged to the Project during the billing period by each class of ENGINEER's employees times Standard Hourly Rates for each billing class, plus reimbursable expenses and ENGINEER's Consultant's charges, if any.
 2. ENGINEER's Standard Hourly Rates are attached to this Attachment B (Task Order No. 2). ENGINEER's Prime Consultants' Standard Hourly Rates are also attached to this Attachment B (Task Order No. 2).
 3. The total compensation for Basic Services is not to exceed \$98,770. With prior written approval from OWNER, the total compensation for Special Services is not to exceed \$25,000. The total authorized not to exceed value of this task order is \$123,770.
 4. The total not to exceed compensation for ENGINEER's services as noted in paragraph A.3 incorporates all labor, overhead, profit, reimbursable expenses, and Consultant's charges.
 5. The Standard Hourly Rates Schedules will be adjusted annually to reflect equitable changes in the compensation payable to ENGINEER and ENGINEER's Consultants.

Other Provisions Concerning Payment

- A. Whenever ENGINEER is entitled to compensation for the charges of ENGINEER's Prime Consultants, those charges shall be the direct amounts billed by ENGINEER's Prime Consultants' to ENGINEER plus 5%.
- B. To the extent necessary to verify ENGINEER's charges and upon OWNER's timely request, ENGINEER shall make copies of such records available to OWNER.
- C. No mechanic, contractor, subcontractor, or other person can or will contract for or in any other manner have or acquire any lien upon any building or work covered by the contract or the land upon which the same is situated.
- D. Before final acceptance of work provided under Task Order No. 2 by OWNER, the ENGINEER shall execute and provide OWNER with an Affidavit that all bills for labor, materials, and incidentals incurred by subcontractors, materialmen, mechanics, and suppliers under this agreement have been paid in full, and that there are no claims pending of which ENGINEER is notified.

Consider approving Buyboard contract #589-19 with Advanced Water Well Technologies for the rebuild of a high service pump in the amount of \$94,807 and authorizing the City Manager to negotiate and execute all related documents (Allison Strube)

Staff Recommendation:

Approve

Summary/History:

This is for the rebuild of a high service pump and motor at the Water Treatment Plant. This pump is a part of a series of pumps that pump treated water into the distribution system and to elevated and ground storage facilities located throughout the city.

These pumps from time to time have to be pulled out of service and repaired/rebuilt for ongoing maintenance practices. Although there are pumps with greater and less capacity, this pump is only 1 of 2 pumps with the capacity of 13MGD. And when back in service it will give the capability to run one pump during these demands versus running 2 smaller pumps to achieve this.

Funding Source(s):

Financial Impact:

Total expenditure of \$94,807 budgeted within the Water Treatment Plant operating budget.

Other Information/Recommendation:

Staff recommends the contract be awarded to Advanced Water Well Technologies and the City Manager be authorized to execute any related documents.

Comprehensive Plan Amendments and Rezoning: Section 212(G) of the Zoning Ordinance requires that the Planning Commission and City Council consider, at minimum, seven (7) factors in determining the appropriateness of any rezoning request as outlined in #1 through #7 below. Comprehensive Plan Amendments are reviewed in the context of the San Angelo Strategic Plan, the 2009 Update to the Comprehensive Plan and outlined in #1 below:

1. **Compatible with Plans and Policies.** **Whether the proposed amendment is compatible with the Comprehensive Plan and any other land use policies adopted by the Planning Commission or City Council.** The property is located within a Commercial Future Land Use corridor along South Bryant Boulevard that stretches approximately 0.86 miles between Montecito Drive to the north and West Avenue R to the south. Other rezonings have been approved in the immediate area over the past several years and this rezoning would be a continuation of this development. “Commercial” land uses in the City’s Comprehensive Plan are “often single-use centers consisting of large retail and office clusters that seek visibility and convenient access offered by frontage on the major street network.” The property has frontage onto S. Bryant Boulevard, a major TXDOT arterial road that can adequately service the development consistent with the above policy.
2. **Consistent with Zoning Ordinance.** **Whether and the extent to which the proposed amendment would conflict with any portion of this Zoning Ordinance.** Each lot has a lot frontage of 50 feet, lot depth of 100 feet, and lot area of 5,000 square feet. The lot frontage and depth will meet the minimum 50’ x 80’ in the CG zone, however, the lot area of each lot separately is deficient as the CG zone requires a minimum lot area of 6,000-sq. ft. City Staff have spoken to the applicants and they have agreed to do a joinder lot agreement. Chapter 1.V.7 of the Subdivision Ordinance allows two or more lots to be combined as a single lot under common ownership if they are less than or equal to one acre in size as the subject lots are. When combined, the lots will have a lot area of 10,000-sq. ft. in compliance with CG zoning. The lot is a double frontage lot, with 25-foot yards facing S. Bryant Boulevard and Gunter Street. Future buildings, or additions to the existing building, will require conformity with these provisions and the other CG development standards.
3. **Compatible with Surrounding Area.** **Whether and the extent to which the proposed amendment is compatible with existing and proposed uses surrounding the subject land and is the appropriate zoning district for the land.** The CG zoning will allow a wide range of retail commercial uses consistent with the surrounding area which contains a shopping plaza to the west, and a tea shop to the north.
4. **Changed Conditions.** **Whether and the extent to which there are changed conditions that require an amendment.** An existing home sits over both properties and the applicants have indicated their intent to rezone the properties for future commercial development.
5. **Effect on Natural Environment.** **Whether and the extent to which the proposed amendment would result in significant adverse impacts on the natural environment, including but not limited to water and air quality, noise, storm water management, wildlife, vegetation, wetlands and the practical functioning of the natural environment.** Staff does not anticipate any adverse

environmental affects at this time. At time of permitting, a review of drainage, grading, and stormwater will be conducted by Engineering Services to address any environmental issues.

6. **Community Need.** *Whether and the extent to which the proposed amendment addresses a demonstrated community need.* Staff believes there is a need for more commercial development in this area, given the recent rezonings, new commercial development including HTeaO tea shop immediately north, and the City's Comprehensive Plan designation of Commercial, all of which support CG zoning in this location.
7. **Development Patterns.** *Whether and the extent to which the proposed amendment would result in a logical and orderly pattern of urban development in the community.* The property has access off of S. Bryant Boulevard, a major TXDOT arterial road, which can accommodate the proposed future commercial development.

Recommendation:

Staff's recommendation is for City Council to **APPROVE** a rezoning from the Single-Family Residential (RS-1) Zoning District to the General Commercial (CG) Zoning District; being 0.23 acres, located at 2115 and 2117 Gunter Street.

Note: Prior to Council approval of the rezoning, the applicant will enter into a joinder lot agreement with the City combining the two lots under common ownership to comply with the minimum CG lot size requirement in the Zoning Ordinance. If that does not happen, staff will recommend denial, since the subject lots would not meet the minimum lot size for the district.

(By checking the boxes you indicate that you understand below rules and regulations for the Planning Commissions case.)

- ☒ An application for a zone change on a property may only be made by the owner of that property, an authorized representative of the property owner, the Planning Director, the Planning Commission or City Council. An authorized representative shall present a notarized affidavit from the property owner;
- ☒ No application will be processed if a zoning violation exists on the property, unless such processing is authorized by City Council. Use of the subject property for any new activity (not allowed by present zoning) cannot occur before City Council's approval of the requested zone change. Any such unauthorized use of the subject property is subject to prosecution in Municipal Court.
- ☒ If approved, a zone change is applied to the property, not the property owner.
- ☒ The Planning Commission makes recommendations to City Council. If the Planning Commission recommends approval of a zone change request, the case must still go before City Council for final action.
- ☒ If a zone change request is granted by City Council, permits for building construction and/or utility connection may be obtained from the City's Permits and Inspections Department.
- ☒ Certain minimum building setbacks from some or all property lines must be maintained, and room for a minimum number of off-street parking spaces must be reserved on a subject property, based on that property's zoning classification and the nature of its proposed use. A privacy fence may also be required between more restrictive and less restrictive zoning districts. These requirements are outlined in San Angelo's Zoning Ordinance. It is to the applicant's benefit to make sure that any proposed development will fit onto the subject property, in compliance with these and other applicable requirements of the City's Code of Ordinances.
- ☒ One or more notice sign(s) will be placed on the subject property by the Planning Department. However, it is the applicant's responsibility to ensure that the notice sign(s) has/have been posted at least ten (10) days prior to the Planning Commission meeting. If notice sign(s) is/are not posted accordingly, City Council may delay a request. The Planning Department will also notify, in writing, owners of property within 200-feet of the subject property of the zone change request.
- ☒ If the Planning Commission recommends denial of a request, the applicant will have ten (10) days to appeal this decision, in writing, to the City Council. If an appeal is made within three (3) days from the Planning Commission meeting, no re-notification fee will be required. Otherwise, there will be a nonrefundable \$35 fee to re-notify owners of nearby property of City Council's public hearing date. If Planning Commission's recommendation of denial is not appealed, it will be the final action on a request.

Effective January 3, 2017

REPORT TO MAYOR & MEMBERS OF CITY COUNCIL

Requestor: Julia Antilley, City Clerk, City Clerk, 325-657-4405

Meeting Date: February 1, 2022

Item type: Regular Item

Caption:

Consider accepting a duly certified petition in support of Outlawing Abortion/Declaring San Angelo a Sanctuary City for the Unborn, establishing a day/time for a public hearing of the ordinance, and directing staff to publish the ordinance in the newspaper at least once prior to discussion at the public hearing (Presentation made by City Clerk Julia Antilley)

Staff Recommendation:

Direction from Council

Summary/History:

Section 47 of the San Angelo City Charter outlines the steps required for proposing a new ordinance for adoption.

Steps Completed:

- 11/18/2021 - Initiating Committee formed, submitted draft ordinance, and took petition sheets
- 1/17/2022 - Petition pages returned within 60 days
- 1/20/2022 - Over 1,512 valid signatures obtained and verified (25% of voters in prior mayoral election)

Steps Remaining:

- 2/1/2022 - Petition certified/delivered to Council and accepted
- TBD - Council shall set a day/time for consideration/public hearing on the ordinance
- TBD - Council shall cause a copy of the proposition to be printed in a newspaper of general circulation in the City at least once prior to consideration of the proposition in a public hearing (17 pages in English, estimated 17+ pages in Spanish)
- TBD - City Clerk shall mail each member of the initiating committee a notice of the day/time of the regular meeting of the Council when its adoption shall be considered (or another day/time set by Council)
- 30th day - After public hearing, Council shall take final action by either adopting or rejecting the ordinance, or passing an amended version (if passed, this would be the first of two readings)
- 20th day - If rejected or amended, the Initiating Committee (by majority vote) may require the original or amended ordinance be submitted to a vote of the voters by filing a certificate and statement with the City Clerk

- TBD - City Clerk shall present the certificate and certified copy of the proposed ordinance to Council at their next regular meeting
- TBD - Council shall order a special election, in accordance with state law for the proposed ordinance

ORDINANCE OUTLAWING ABORTION, DECLARING SAN ANGELO A SANCTUARY CITY FOR THE UNBORN,
MAKING VARIOUS PROVISIONS AND FINDINGS, PROVIDING FOR SEVERABILITY, AND ESTABLISHING AN
EFFECTIVE DATE

We, the undersigned Initiating Committee of registered voters who reside within the city limits of San Angelo, TX, here by demand that the attached ordinance, San Angelo, TX a Sanctuary City for the Unborn, be put forward for a referendum petition campaign to place the said ordinance on the agenda of the City Council for their consideration, but in light of an unfavorable decision to our cause we demand further that the ordinance be placed upon the ballot at the next general election in May, 2022.

ORDINANCE OUTLAWING ABORTION, DECLARING SAN ANGELO A
SANCTUARY CITY FOR THE UNBORN, MAKING VARIOUS PROVISIONS AND
FINDINGS, PROVIDING FOR SEVERABILITY, AND ESTABLISHING AN
EFFECTIVE DATE

BE IT ORDAINED BY THE CITY OF SAN ANGELO, TEXAS THAT:

A. FINDINGS

The City of San Angelo finds that:

- (1) Human life begins at conception.
- (2) Abortion is an act of violence that purposefully and knowingly terminates an unborn human life.
- (3) Unborn human beings are entitled to the full and equal protection of the laws that prohibit violence against other human beings.
- (4) The State of Texas has never repealed its pre-*Roe v. Wade* statutes that outlaw and criminalize abortion unless the mother's life is in danger. *See* West's Texas Civil Statutes, articles 4512.1 – 4512.6 (1974); *see also* Act of June 14, 1973, ch. 399, §§ 5–6, 1973 Tex. Acts 883, 995–96; *see also id.* 996a, 996e (including the Texas abortion laws in the table indicating the “Disposition of Unrepealed Articles of the Texas Penal Code of 1925 and Vernon's Penal Code.”).
- (5) The Texas Legislature has reaffirmed the continued existence and validity of the State's pre-*Roe v. Wade* criminal abortion statutes. *See* Senate Bill 8, 87th Leg., § 2 (2021) (“The legislature finds that the State of Texas never repealed, either expressly or by implication, the state statutes enacted before the ruling in *Roe v. Wade*, 410 U.S. 113 (1973), that prohibit and criminalize abortion unless the mother's life is in danger.”).
- (6) The law of Texas therefore continues to define abortion as a criminal offense except when necessary to save the life of the mother. *See* West's Texas Civil Statutes, article 4512.1 (1974); Senate Bill 8, 87th Leg., § 2 (2021).
- (7) The law of Texas also imposes felony criminal liability on anyone who “furnishes the means for procuring an abortion knowing the purpose intended,” *see* West's Texas Civil Statutes, article 4512.2 (1974), as well as anyone who aids or abets an abortion performed in violation of Texas law, *see* Tex. Penal Code section 7.02.
- (8) The Supreme Court's judgment in *Roe v. Wade* did not cancel or formally revoke the Texas statutes that outlaw and criminalize abortion, and the judiciary has no power to erase a statute that it believes to be unconstitutional. *See Pidgeon v. Turner*, 538 S.W.3d 73, 88 n.21 (Tex. 2017) (“When a court declares a law

unconstitutional, the law remains in place unless and until the body that enacted it repeals it”); *Texas v. United States*, 945 F.3d 355, 396 (5th Cir. 2019) (“The federal courts have no authority to erase a duly enacted law from the statute books, [but can only] decline to enforce a statute in a particular case or controversy.” (citation and internal quotation marks omitted)).

(9) The Supreme Court’s pronouncements in *Roe v. Wade* and subsequent cases may temporarily limit the ability of State officials to impose penalties on those who violate the Texas abortion statutes, but they do not veto or erase the statutes themselves, which continue to exist as the law of Texas until they are repealed by the legislature that enacted them. The State’s temporary inability to prosecute or punish those who violate its abortion statutes on account of *Roe v. Wade* does not change the fact that abortion is defined as a criminal act under Texas law.

(10) The Texas murder statute defines the crime of “murder” to include any act that “intentionally or knowingly causes the death” of “an unborn child at every stage of gestation from fertilization until birth.” See Texas Penal Code § 19.02; Texas Penal Code § 1.07. Although the statute exempts “lawful medical procedures” from the definition of murder, see Texas Penal Code § 19.06(2), an abortion is not a “lawful medical procedure” under Texas law unless the life of the mother is in danger, see West’s Texas Civil Statutes, article 4512.1 (1974).

(11) The law of Texas also prohibits abortions unless they are performed in a facility that meets the minimum standards for an ambulatory surgical center, and by a physician who holds admitting privilege at a nearby hospital. See Texas Health and Safety Code § 171.0031, 245.010(a). The Supreme Court’s ruling in *Whole Woman’s Health v. Hellerstedt*, 136 S. Ct. 2292 (2016), did not alter or revoke these requirements of state law; it merely enjoined state officials from enforcing the penalties established in those statutes against the abortion providers who violate them. *Whole Woman’s Health v. Hellerstedt* does not change the fact that abortion is not a “lawful medical procedure” under Texas law unless it complies with sections 171.0031 and 245.010(a) of the Texas Health and Safety Code, and it does not change the fact that the Texas murder statute prohibits abortions that fail to comport with these still-existing requirements of Texas law.

(12) The Texas abortion laws are severable in each of their discrete applications, and they are severable as applied to each individual person, group of persons, or circumstances. See Tex. Gov’t Code § 311.032(c); Tex. Gov’t Code § 311.036(c) (“Every statute that regulates or prohibits abortion is severable in each of its applications to every person and circumstance. If any statute that regulates or prohibits abortion is found by any court to be unconstitutional, either on its face or as applied, then all applications of that statute that do not violate the United States Constitution and Texas Constitution shall be severed from the unconstitutional applications and shall

remain enforceable, notwithstanding any other law, and the statute shall be interpreted as if containing language limiting the statute's application to the persons, group of persons, or circumstances for which the statute's application will not violate the United States Constitution and Texas Constitution."). These laws therefore remain enforceable against any individual or entity that aids or abets an abortion performed in Texas, so long as the prosecution of the particular individual or entity that aids or abets the abortion will not impose an "undue burden" on abortion patients.

(13) The City of San Angelo finds it necessary to supplement the existing state-law prohibitions on abortion with its own prohibitions on abortion, and to empower city officials and private citizens to enforce these prohibitions to the maximum extent permitted by state law and the Constitution. *See* Tex. Local Gov't Code §§ 54.001(b)(1); 54.004.

(14) The law of Texas explicitly allows municipalities and political subdivisions to outlaw and prohibit abortion, and to establish penalties and remedies against those who perform or enable unlawful abortions. *See* Tex. Gov't Code § 311.036(b) ("A statute may not be construed to restrict a political subdivision from regulating or prohibiting abortion in a manner that is at least as stringent as the laws of this state unless the statute explicitly states that political subdivisions are prohibited from regulating or prohibiting abortion in the manner described by the statute.").

(15) To protect the health and welfare of all residents within the City of San Angelo, including the unborn, the City finds it necessary to outlaw abortion under city law, to outlaw acts that aid or abet abortions, and to establish penalties and remedies as provided in this ordinance. *See* Tex. Local Gov't Code §§ 54.001(b)(1); 54.004.

B. DECLARATIONS

(1) We declare San Angelo, Texas to be a Sanctuary City for the Unborn.

(2) Abortion at all times and at all stages of pregnancy is declared to be an act of murder unless the mother's life is in danger.

(3) Abortion-inducing drugs are declared to be contraband, and we declare the possession of abortion-inducing drugs within city limits to be an unlawful act.

(4) Abortions performed anywhere in the state of Texas are criminal acts under Texas law, unless the abortion is procured or attempted by medical advice for the purpose of saving the life of the mother. *See* West's Texas Civil Statutes, articles 4512.1 – 4512.6 (1974); *see also* Senate Bill 8, 87th Leg., § 2.

(5) Any person who "furnishes the means for procuring an abortion knowing the purpose intended," or who otherwise aids or abets an abortion performed in Texas,

is a criminal and a felon subject to prosecution and imprisonment under article 4512.2 of the Revised Civil Statutes and section 7.02 of the Texas Penal Code, unless the abortion is procured or attempted by medical advice for the purpose of saving the life of the mother.

(6) The City of San Angelo urges the district attorney of Tom Green County to investigate and prosecute any individual or organization that “furnishes the means for procuring” an elective abortion, or that otherwise aids or abets such abortions, including:

- (a) employers and insurers who arrange for coverage of abortions in Texas;
- (b) individuals and organizations that knowingly provide transportation to or from a Texas abortion provider;
- (c) individuals and organizations that knowingly pay for another person’s abortion in Texas, including abortion funds and abortion-assistance organizations;
- (d) individuals who knowingly donate money to abortion funds and abortion-assistance organizations that aid or abet abortions performed in Texas;
- (e) individuals and organizations that offer or provide “abortion doula” services in Texas.

(7) The City of San Angelo urges all of its citizens to regard those who perform or assist elective abortion in Texas as criminals, consistent with the abortion laws of Texas, and to report these criminal activities to the relevant district attorneys for investigation and criminal prosecution.

C. AMENDMENTS TO CITY CODE

The San Angelo Code of Ordinances is amended by adding Article 8.12 to read as follows:

ARTICLE 8.12 — ABORTION

Sec. 8.12.001. Definitions

(a) For the purposes of this article, the following definitions shall apply:

- (1) “Abortion” means the act of using or prescribing an instrument, a drug, a medicine, or any other substance, device, or means with the intent to cause the death of an unborn child of a woman known to be pregnant. The term does not include birth-control devices or oral contraceptives, and it does not include Plan B, morning-after pills, or emergency

contraception. An act is not an abortion if the act is done with the intent to:

(A) save the life or preserve the health of an unborn child;

(B) remove a dead, unborn child whose death was caused by accidental miscarriage; or

(C) remove an ectopic pregnancy.

(2) "Unborn child" means a natural person from the moment of conception who has not yet completely left the womb.

(3) "Abortion-inducing drugs" includes mifepristone, misoprostol, and any drug or medication that is used to terminate the life of an unborn child. The term does not include birth-control devices or oral contraceptives, and it does not include Plan B, morning-after pills, or emergency contraception. The term also does not include drugs or medications that are possessed or distributed for a purpose that does not include the termination of a pregnancy.

Sec. 8.12.002. Abortion Prohibited

(a) It shall be unlawful for any person to procure or perform an abortion of any type and at any stage of pregnancy in the city of San Angelo, Texas.

(b) It shall be unlawful for any person to knowingly aid or abet an abortion that occurs in the city of San Angelo, Texas. This section does not prohibit referring a patient to have an abortion which takes place outside the city limits of San Angelo, Texas. The prohibition in this section includes, but is not limited to, the following acts:

(1) Knowingly providing transportation to or from an abortion provider;

(2) Giving instructions over the telephone, the internet, or any other medium of communication regarding self-administered abortion;

(3) Providing money with the knowledge that it will be used to pay for an abortion or the costs associated with procuring an abortion;

(4) Providing or arranging for insurance coverage of an abortion;

(5) Providing "abortion doula" services; and

(6) Coercing or pressuring a pregnant mother to have an abortion against her will.

(c) It shall be an affirmative defense to the unlawful acts described in Subsections (a) and (b) if the abortion was in response to a life-threatening

physical condition aggravated by, caused by, or arising from a pregnancy that, as certified by a physician, places the woman in danger of death or a serious risk of substantial impairment of a major bodily function unless an abortion is performed. The defendant shall have the burden of proving this affirmative defense by a preponderance of the evidence.

(d) It shall be unlawful for any person to possess or distribute abortion-inducing drugs in the city of San Angelo, Texas.

(e) No provision of this section may be construed to prohibit any action which occurs outside of the jurisdiction of the city of San Angelo, Texas.

(f) No provision of this section may be construed to prohibit any conduct protected by the First Amendment of the U.S. Constitution, as made applicable to state and local governments through the Supreme Court's interpretation of the Fourteenth Amendment, or by Article 1, Section 8 of the Texas Constitution.

(g) Under no circumstance may the mother of the unborn child that has been aborted, or the pregnant woman who seeks to abort her unborn child, be subject to prosecution or penalty under this section.

(h) Whoever violates this section shall be subject to the maximum penalty permitted under Texas law for the violation of a municipal ordinance governing public health, and each violation shall constitute a separate offense.

(i) Neither the City of San Angelo, nor any of its officers or employees, nor any district or county attorney, nor any executive or administrative officer or employee of any state or local governmental entity, may impose or threaten to impose the penalty described in Subsection (h) unless and until:

(1) The Supreme Court overrules *Roe v. Wade*, 410 U.S. 113 (1973), and *Planned Parenthood v. Casey*, 505 U.S. 833 (1992), and permits states and municipalities to punish anyone who violates an abortion prohibition, or

(2) A state or federal court enters a declaratory judgment or otherwise rules that the imposition or threatened imposition of this penalty upon the particular person, corporation, or entity that committed the unlawful act described in Subsection (h) will not impose an "undue burden" on women seeking abortions; or

(3) A state or federal court enters a declaratory judgment or otherwise rules that the person, corporation, or entity that committed the

unlawful act described in Subsection (h) lacks third-party standing to assert the rights of women seeking abortions in court.

(j) The penalty provided in Subsection (h) may not be imposed or threatened against any individual or entity if a previous decision of the Supreme Court of the United States established that the conduct of that individual or entity was constitutionally protected at the time it occurred.

(k) The non-imposition of the penalties described in Subsection (h) does not in any way legalize the conduct that has been outlawed by this section, and it does not in any way limit or affect the availability of the private-enforcement remedies established in Section 8.12.006, or the criminal penalties for abortion set forth in article 4512.1 of the Revised Civil Statutes and sections 1.07 and 19.02(b) of the Texas Penal Code. Abortion remains and is to be regarded as an illegal act under city law and a criminal act under state law, except when abortion is necessary to save the life of the mother. And abortion remains outlawed under both city and state law, despite the temporary and partial inability of city and state officials to punish those who violate the abortion laws on account of the Supreme Court's decisionmaking.

(l) Mistake of law shall not be a defense to the penalty established Subsection (h).

Sec. 8.12.003. Abortion Coverage Prohibited in Employer-Provided Health Insurance or Benefits

(a) It shall be unlawful for any employer in the city of San Angelo, Texas, and for any person acting on that employer's behalf, to offer, provide, or arrange for coverage of abortion in any health-insurance policy or plan, flexible spending account, health savings account, or any other benefit provided to its employees, except for abortions performed in response to a life-threatening physical condition aggravated by, caused by, or arising from a pregnancy that, as certified by a physician, places the woman in danger of death or a serious risk of substantial impairment of a major bodily function unless an abortion is performed.

(b) Whoever violates this section shall be subject to the maximum penalty permitted under Texas law for the violation of a municipal ordinance governing public health, and each violation shall constitute a separate offense.

(c) Any official of the city of San Angelo, Texas, who becomes aware that an employer is aiding or abetting abortions by providing coverage of abortions in an employee-benefits package shall report that employer to the district

attorney of Tom Green County, and to all other district attorneys with jurisdiction over that employer, for criminal prosecution under article 4512.2 of the Revised Civil Statutes and section 7.02 of the Texas Penal Code.

Sec. 8.12.004. Abortions Performed Outside San Angelo, Texas

(a) It is the policy of San Angelo, Texas to protect its unborn residents from individuals and organizations that aid or abet the killing of unborn children, and to protect the unborn from those who seek to kill or otherwise harm them, to the maximum extent permissible under state and federal law.

(b) Except as provided by Subsections (c), (d), (e), and (f), it shall be unlawful for any person to knowingly aid or abet an abortion performed on a resident of San Angelo, Texas, or to attempt to aid or abet such an abortion, regardless of where the abortion is or will be performed. The prohibition in this subsection includes, but is not limited to:

- (1) Offering or knowingly providing transportation to or from an abortion provider;
- (2) Giving instructions over the telephone, the internet, or any other medium of communication regarding self-administered abortion;
- (3) Offering or providing money with the knowledge that it will be used to pay for, offset, or reimburse the costs of an abortion or the costs associated with procuring an abortion;
- (4) Providing or arranging for insurance coverage of an abortion;
- (5) Offering or providing "abortion doula" services;
- (6) Providing referrals to an abortion provider;
- (7) Coercing or pressuring a pregnant mother to have an abortion; and
- (8) Engaging in any of the conduct that would make one an accomplice to abortion under section 7.02 of the Texas Penal Code.

(c) This section may not be construed to impose civil or criminal liability on any speech or conduct protected by the First Amendment of the United States Constitution, as made applicable to the states through the United States Supreme Court's interpretation of the Fourteenth Amendment of the United States Constitution, or by Article 1, Section 8 of the Texas Constitution.

(d) This section may not be construed to prohibit conduct that San Angelo, Texas, is forbidden to prohibit or regulate under state or federal law.

(e) It shall be an affirmative defense if the unlawful acts described in Subsection (b) were taken in response to a life-threatening physical condition aggravated by, caused by, or arising from a pregnancy that, as certified by a physician, places the woman in danger of death or a serious risk of substantial impairment of a major bodily function unless an abortion is performed. The defendant shall have the burden of proving this affirmative defense by a preponderance of the evidence.

(f) Under no circumstance may the woman upon whom the abortion was performed, or the pregnant woman who seeks to abort her unborn child, be subject to prosecution or penalty under this section.

(g) Whoever violates this section shall be subject to the maximum penalty permitted under Texas law for the violation of a municipal ordinance governing public health, and each violation shall constitute a separate offense.

(h) Neither the City of San Angelo, nor any of its officers or employees, nor any district or county attorney, nor any executive or administrative officer or employee of any state or local governmental entity, may impose or threaten to impose the penalty described in Subsection (g) unless and until:

(1) The Supreme Court overrules *Roe v. Wade*, 410 U.S. 113 (1973), and *Planned Parenthood v. Casey*, 505 U.S. 833 (1992), and permits states and municipalities to punish anyone who violates an abortion prohibition, or

(2) A state or federal court enters a declaratory judgment or otherwise rules that the imposition or threatened imposition of this penalty upon the particular person, corporation, or entity that committed the unlawful act described in Subsection (g) will not impose an “undue burden” on women seeking abortions; or

(3) A state or federal court enters a declaratory judgment or otherwise rules that the person, corporation, or entity that committed the unlawful act described in Subsection (g) lacks third-party standing to assert the rights of women seeking abortions in court.

(i) The penalty provided in Subsection (g) may not be imposed or threatened against any individual or entity if a previous decision of the Supreme Court of the United States established that the conduct of that individual or entity was constitutionally protected at the time it occurred.

(j) The non-imposition of the penalties described in Subsection (g) does not in any way legalize the conduct that has been outlawed by this section, and it

does not in any way limit or affect the availability of the private-enforcement remedies established in Section 8.12.006. Abortion remains and is to be regarded as an illegal act under city law and a criminal act under state law, except when abortion is necessary to save the life of the mother.

(k) Mistake of law shall not be a defense to the penalty established Subsection (g).

(l) Any official of the city of San Angelo, Texas, who becomes aware that an individual or organization is aiding or abetting abortions performed in Texas by engaging in the conduct described in subsection (b) shall report that individual or organization to the district attorney of Tom Green County, or to the district attorneys with jurisdiction over that individual or organization, for criminal prosecution under article 4512.2 of the Revised Civil Statutes and section 7.02 of the Texas Penal Code.

Sec. 8.12.005. Abortions Performed in Violation of Texas Law

(a) It is the policy of the city of San Angelo to ensure that the Texas abortion laws are enforced to the maximum possible extent consistent with the Constitution and existing Supreme Court doctrine.

(b) Except as provided by subsections (d), (e), (f), and (g), it shall be unlawful for any person to perform an abortion in violation of any statute enacted by the Texas legislature, including article 4512.1 of the Revised Civil Statutes, as well as sections 171.0031(a)(1) and 245.010(a) of the Texas Health & Safety Code.

(c) Except as provided by subsections (d), (e), (f), and (g), it shall be unlawful for any person to knowingly aid or abet an abortion performed in violation of any statute enacted by the Texas legislature, including article 4512.1 of the Revised Civil Statutes, as well as sections 171.0031(a)(1) and 245.010(a) of the Texas Health & Safety Code. The prohibition in this subsection includes, but is not limited to:

- (1) Offering or knowingly providing transportation to or from an abortion provider;
- (2) Giving instructions over the telephone, the internet, or any other medium of communication regarding self-administered abortion;
- (3) Offering or providing money with the knowledge that it will be used to pay for, offset, or reimburse the costs of an abortion or the costs associated with procuring an abortion;

- (4) Providing or arranging for insurance coverage of an abortion;
- (5) Offering or providing “abortion doula” services;
- (6) Providing referrals to an abortion provider;
- (7) Coercing or pressuring a pregnant mother to have an abortion; and
- (8) Engaging in conduct that makes one an accomplice to abortion under section 7.02 of the Texas Penal Code.

(d) This subsection may not be construed to impose civil or criminal liability on any speech or conduct protected by the First Amendment of the United States Constitution, as made applicable to the states through the United States Supreme Court’s interpretation of the Fourteenth Amendment of the United States Constitution, or by Article 1, Section 8 of the Texas Constitution.

(e) This section may not be construed to prohibit conduct that San Angelo, Texas, is forbidden to prohibit or regulate under state or federal law.

(f) It shall be an affirmative defense if the unlawful acts described in Subsection (b) were taken in response to a life-threatening physical condition aggravated by, caused by, or arising from a pregnancy that, as certified by a physician, places the woman in danger of death or a serious risk of substantial impairment of a major bodily function unless an abortion is performed. The defendant shall have the burden of proving this affirmative defense by a preponderance of the evidence.

(g) Under no circumstance may the woman upon whom the abortion was performed, or the pregnant woman who seeks to abort her unborn child, be subject to prosecution or penalty under this section.

(h) Whoever violates this section shall be subject to the maximum penalty permitted under Texas law for the violation of a municipal ordinance governing public health, and each violation shall constitute a separate offense.

(i) Neither the City of San Angelo, nor any of its officers or employees, nor any district or county attorney, nor any executive or administrative officer or employee of any state or local governmental entity, may impose or threaten to impose the penalty described in Subsection (h) unless and until:

- (1) The Supreme Court overrules *Roe v. Wade*, 410 U.S. 113 (1973), and *Planned Parenthood v. Casey*, 505 U.S. 833 (1992), and permits states

and municipalities to punish anyone who violates an abortion prohibition, or

(2) A state or federal court enters a declaratory judgment or otherwise rules that the imposition or threatened imposition of this penalty upon the particular person, corporation, or entity that committed the unlawful act described in Subsection (h) will not impose an “undue burden” on women seeking abortions; or

(3) A state or federal court enters a declaratory judgment or otherwise rules that the person, corporation, or entity that committed the unlawful act described in Subsection (h) lacks third-party standing to assert the rights of women seeking abortions in court.

(j) The penalty provided in Subsection (h) may not be imposed or threatened against any individual or entity if a previous decision of the Supreme Court of the United States established that the conduct of that individual or entity was constitutionally protected at the time it occurred.

(k) The non-imposition of the penalties described in Subsection (h) does not in any way legalize the conduct that has been outlawed by this section, and it does not in any way limit or affect the availability of the private-enforcement remedies established in Section 8.12.006. Abortion remains and is to be regarded as an illegal act under city law and a criminal act under state law, except when abortion is necessary to save the life of the mother.

(l) Mistake of law shall not be a defense to the penalty established Subsection (h).

(m) Any official of the city of San Angelo, Texas, who becomes aware that an individual or organization is performing or aiding or abetting abortions in violation of in violation of any statute enacted by the Texas legislature, including articles 4512.1 and 4512.2 of the Revised Civil Statutes, as well as sections 171.0031(a)(1) and 245.010(a) of the Texas Health & Safety Code, shall report that individual or organization to the district attorney of Tom Green County, or to the district attorneys with jurisdiction over that individual or organization, for criminal prosecution under articles 4512.1 and 4512.2 of the Revised Civil Statutes and section 7.02 of the Texas Penal Code.

Sec. 8.12.006. Private Right of Action

(a) Any person, other than an officer or employee of a state or local governmental entity in this state, may bring a civil action in state court

against any person who violates or intends to violate sections 8.12.002, 8.12.003, 8.12.004, or 8.12.005.

(b) If a claimant prevails in an action brought under this section, the court shall award:

- (1) injunctive relief sufficient to prevent the defendant from violating section 8.12.002, 8.12.003, 8.12.004, or 8.12.005 in the future;
- (2) statutory damages in an amount of not less than \$10,000 for each violation of section 8.12.002, 8.12.003, 8.12.004, or 8.12.005 that the defendant committed; and
- (3) costs and attorney's fees.

(c) Notwithstanding Subsection (b), a court may not award relief under this section if the defendant demonstrates that the defendant previously paid statutory damages in a previous action for the particular conduct that violated section 8.12.002, 8.12.003, 8.12.004, or 8.12.005.

(d) There is no statute of limitations for an action brought under this section.

(e) The following are not a defense to an action brought under this section:

- (1) ignorance or mistake of law;
- (2) a defendant's belief that the requirements of this section, or the requirements of sections 8.12.002, 8.12.003, 8.12.004, or 8.12.005, are unconstitutional or were unconstitutional;
- (3) a defendant's reliance on any court decision that has been overruled on appeal or by a subsequent court, even if that court decision had not been overruled when the defendant engaged in conduct that violates sections 8.12.002, 8.12.003, 8.12.004, or 8.12.005;
- (4) a defendant's reliance on any state or federal court decision that is not binding on the court in which the action has been brought;
- (5) nonmutual issue preclusion or nonmutual claim preclusion;
- (6) the consent of the unborn child's mother to the abortion; or
- (7) any claim that the enforcement of sections 8.12.002, 8.12.003, 8.12.004, or 8.12.005 or the imposition of civil liability against the defendant will violate the constitutional rights of third parties, except as provided by section 8.12.007.

(f) An action under this section must be brought in state court and not in the local or municipal courts;

(g) This section may not be construed to impose liability on any speech or conduct protected by the First Amendment of the United States Constitution, as made applicable to the states through the United States Supreme Court's interpretation of the Fourteenth Amendment of the United States Constitution, or by Article 1, Section 8 of the Texas Constitution;

(h) Neither the city of San Angelo, Texas, nor any state or local official may intervene in an action brought under this section. This subsection does not prohibit a person or entity described by this subsection from filing an amicus curiae brief in the action.

(i) A civil action under this section may not be brought by any person who impregnated the abortion patient through an act of rape, sexual assault, incest, or any other unlawful act.

(j) Under no circumstance may a civil action under this section be brought against the mother of the unborn child that has been aborted, or the pregnant woman who seeks to abort her unborn child.

Sec. 8.12.007. Civil Liability: Undue Burden Defense

(a) A defendant against whom an action is brought under Section 8.12.006 does not have standing to assert the rights of women seeking an abortion as a defense to liability under that section unless:

- (1) the United States Supreme Court or the Supreme Court of Texas holds that the courts of this state must confer standing on that defendant to assert the third-party rights of women seeking an abortion in state court as a matter of federal or state constitutional law; or
- (2) the defendant has standing to assert the rights of women seeking an abortion under the tests for third-party standing established by the United States Supreme Court.

(b) A defendant in an action brought under Section 8.12.006 may assert an affirmative defense to liability under this section if:

- (1) the defendant has standing to assert the third-party rights of a woman or group of women seeking an abortion in accordance with Subsection (a); and
- (2) the defendant demonstrates that the relief sought by the claimant will impose an undue burden on that woman or that group of women

seeking an abortion, or otherwise violate the rights of women seeking abortions under the United Constitution.

(c) A court may not find an “undue burden” under Subsection (b) unless the defendant introduces evidence proving that:

- (1) an award of relief will prevent a woman or a group of women from obtaining an abortion; or
- (2) an award of relief will place a substantial obstacle in the path of a woman or a group of women who are seeking an abortion.

(d) A defendant may not establish an “undue burden” under this section by:

- (1) merely demonstrating that an award of relief will prevent women from obtaining support or assistance, financial or otherwise, from others in their effort to obtain an abortion; or
- (2) arguing or attempting to demonstrate that an award of relief against other defendants or other potential defendants will impose an undue burden on women seeking an abortion.

(e) The affirmative defense under Subsection (b) is not available if the United States Supreme Court overrules *Roe v. Wade*, 410 U.S. 113 (1973), or *Planned Parenthood v. Casey*, 505 U.S. 833 (1992).

(f) Nothing in this section shall in any way limit or preclude a defendant from asserting the defendant’s personal constitutional rights as a defense to liability under Section 8.12.006, and a court may not award relief under Section 8.12.006 if the conduct for which the defendant has been sued was an exercise of state or federal constitutional rights that personally belong to the defendant.

Sec. 8.12.008. Severability

(a) Mindful of *Leavitt v. Jane L.*, 518 U.S. 137 (1996), in which in the context of determining the severability of a state statute regulating abortion the United States Supreme Court held that an explicit statement of legislative intent is controlling, the provisions and applications of this article shall be severable as follows:

- (1) It is the intent of the city that every section, provision, subsection, sentence, clause, phrase, or word in this article, and every application of the provisions in this article, are severable from each other. If any application of any provision in this article to any person, group of persons, or circumstances is found by a court to be invalid or

unconstitutional, then the remaining applications of that provision to all other persons and circumstances shall be severed and may not be affected. All constitutionally valid applications of the provisions in this article shall be severed from any applications that a court finds to be invalid, leaving the valid applications in force, because it is the city's intent and priority that the valid applications be allowed to stand alone. Even if a reviewing court finds a provision of this article to impose an undue burden in a large or substantial fraction of relevant cases, the applications that do not present an undue burden shall be severed from the remaining applications and shall remain in force, and shall be treated as if the city had enacted an provision limited to the persons, group of persons, or circumstances for which the provision's application do not present an undue burden. The city further declares that it would have enacted this article, and each provision, section, subsection, sentence, clause, phrase, or word, and all constitutional applications of this article, irrespective of the fact that any provision, section, subsection, sentence, clause, phrase, or word, or applications of this article were to be declared unconstitutional or to represent an undue burden.

- (2) If any court declares or finds a provision in this article facially unconstitutional, when there are discrete applications of that provision that can be enforced against a person, group of persons, or circumstances without violating the Constitution, then those applications shall be severed from all remaining applications of the provision, and the provision shall be interpreted, as a matter of city law, as if the city had enacted a provision limited to the persons, group of persons, or circumstances for which the provision's application will not violate the Constitution.
- (3) If any provision of this article is found by any court to be unconstitutionally vague then the applications of that provision that do not present constitutional vagueness problems shall be severed and remain in force, consistent with the declarations of the city's intent in Subsections (a)(1) and (a)(2), and the provision shall be interpreted, as a matter of city law, as if the city had enacted a provision limited to the persons, group of persons, or circumstances for which the provision's application do not present constitutional vagueness problems.
- (4) No court may decline to enforce the severability requirements in Subsections (a)(1), (a)(2), and (a)(3) on the ground that severance would "rewrite" the ordinance or involve the court in legislative or

lawmaking activity. A court that declines to enforce or enjoins a locality or government official from enforcing a subset of an ordinance's applications is never "rewriting" an ordinance, as the ordinance continues to say exactly what it said before. A judicial injunction or declaration of unconstitutionality is nothing more than a non-enforcement edict that can always be vacated by later courts if they have a different understanding of what the Constitution requires; it is not a formal amendment of the language in a statute or ordinance. A judicial injunction or declaration of unconstitutionality no more "rewrites" an ordinance than a decision by an executive official not to enforce a duly enacted statute or ordinance in a limited and defined set of circumstances.

- (5) If any federal or state court ignores or declines to enforce the requirements of Subsections (a)(1), (a)(2), (a)(3), or (a)(4), or holds a provision of this article invalid or unconstitutional on its face after failing to enforce the severability requirements of Subsections (a)(1), (a)(2), (a)(3) and (a)(4), for any reason whatsoever, then the Mayor shall hold delegated authority to issue a saving construction of this article that avoids the constitutional problems or other problems identified by the federal or state court, while enforcing the provisions of this article to the maximum possible extent. The saving construction issued by the Mayor shall carry the same force of law as an ordinance; it shall represent the authoritative construction of this article in both federal and state judicial proceedings; and it shall remain in effect until the court ruling that declares invalid or enjoins the enforcement of the original provision in this article is overruled, vacated, or reversed.
- (6) The Mayor must issue the saving construction described in Subsection (a)(5) within 20 days after a judicial ruling that declares invalid or enjoins the enforcement of a provision of this article after failing to enforce the severability requirements of Subsections (a)(1), (a)(2), (a)(3), and (a)(4). If the Mayor fails to issue the saving construction required by Subsections (a)(5) within 20 days after a judicial ruling that declares invalid or enjoins the enforcement of a provision of this article after failing to enforce the severability requirements of Subsections (a)(1), (a)(2), (a)(3), and (a)(4), or if the Mayor's saving construction fails to enforce the provisions of the article to the maximum possible extent permitted by the Constitution or other superseding legal requirements, as construed by the federal or state judiciaries, then any person may petition for a writ of mandamus

requiring the Mayor to issue the saving construction described in Subsection (a)(5).

D. EFFECTIVE DATE

This ordinance shall take effect upon: (1) approval by the City Council, or (2) approval by the voters, whichever occurs sooner.

I, Delanna Herring, City Clerk, certify I issued this petition to Delanna Herring, the requesting voter, on January 14, 2022.

SECTION 47. INITIATIVE AND REFERENDUM:

Any proposed ordinance may be submitted to the Council for adoption, and any ordinance or resolution passed by the Council may be submitted to the people for repeal. In either event, the ordinance or resolution proposed to be adopted or repealed shall be set out in written or printed instrument which shall be filed with the City Clerk, and at the time of filing such written or printed instrument, and attached thereto, there shall be filed a statement signed by not less than five (5) voters of the City stating that they have proposed such ordinance or resolution for adoption or repeal, as the case may be, before any signatures are procured to the petitions hereafter provided for.

In the event the ordinance or resolution is one proposed to be adopted, such voters shall be regarded as the initiating committee and in the event it is desired to repeal an ordinance or resolution already existing, such voters shall be regarded as the referring committee.

Before any such ordinance or resolution may be submitted to the Council for action, it shall be necessary that a petition signed by not less than 25% of the number voting at the last regular municipal mayoral election shall be presented to the Council referring to such resolution or ordinance and requesting its adoption or repeal, as the case may be, subject to the following rules:

- A. All such petitions circulated for signatures shall be uniform in character;
- B. The signatures need not be on the same page but to each page shall be attached an affidavit by the circulator of that page, stating:
 - (1) the number of signatures on the page, and
 - (2) that the signatures are genuine, and
 - (3) that the signatures were made in the presence of the affiant;
- C. In order for a petition signature to be valid, a petition must comply with state law;
- D. The petition shall be submitted to the City Clerk for verification of signatures within sixty (60) days from the date of filing the statement of the initiating or referring committee;
- E. Within thirty (30) days thereafter, the City Clerk shall certify to the validity and sufficiency of the signatures; a discrepancy between signature and address on the petition and the name or address on the voter registration list shall not be grounds for invalidation of a signature if the voter registration number is the same;
- F. In the event the City Clerk shall determine there to be a sufficient number of valid signatures, the petition shall be certified and delivered to the Council;
- G. If the City Clerk should find that an insufficient number of valid signatures have been submitted, the City Clerk shall immediately notify the committee specifying the deficiency; within ten (10) days following receipt of said notice, the committee may file an amended petition. Within ten (10) days after receipt of the amended petition, the City Clerk shall certify to the Council that the petitions are sufficient or insufficient and, if they are sufficient, shall deliver the same to the Council;
- H. Once the Council shall receive a petition duly certified to be valid, the Council shall cause a copy of the proposition presented to be printed in a newspaper of general circulation in the City at least once prior to consideration of the proposition in public hearing and the City Clerk shall mail to each of the members of such initiating committee or referring committee a notice of the time of the regular meeting of the Council when such ordinance or resolution and its adoption or repeal shall be considered or a time then set by such Council for its consideration, which hearing and consideration

shall be open to the public, and the public shall be permitted to present arguments for or against such proposed ordinance or resolution.

After such presentation of the petition and public hearing, the Council shall, within thirty (30) days from the date of the submission of such petition, take final action upon the same by either adopting or rejecting the ordinance or resolution thus sought to be referred, and in either event, the action of the Council shall be noted in the minutes. If the Council refuses to pass or repeal the proposed ordinance or resolution or passes the same in a form amended from that presented in the petition, or repeals only a part of such ordinance or resolution, instead of repealing the same in the manner set out in such petition or reference, then in either event, such initiating committee or such referring committee, or a majority thereof, may require that such ordinance or resolution, either in its original or amended form, be submitted to a vote of the voters.

When an ordinance or resolution proposed by petition is to be submitted to the voters for adoption or repeal, after the Council has acted upon same, as provided for in the preceding paragraph, then such initiating or referring committee, as the case may be, upon a majority vote of such committee, shall certify their desire to have the same submitted for adoption or repeal, within twenty (20) days after the Council shall have taken action on the same, and shall file such certificate and statement with the City Clerk. After receipt of such certificate and the certified copy of the proposed ordinance or resolution, the City Clerk shall present such certificate and certified copy of the proposed ordinance or resolution to the Council at its next regular meeting. If any election is to be held, Council shall order a special election in accordance with state law to submit such to the voters.

The form of the ballot for use in an election held for the adoption of any initiated ordinance shall state the title of the ordinance and contain a succinct statement of its nature and purpose and below such statement, in separate lines, there shall be printed the words: FOR THE ORDINANCE - AGAINST THE ORDINANCE. If a majority of the voters in such election shall vote in favor thereof, it shall thereupon become an ordinance of the City when the result of such election shall have been declared.

The form of ballot for use in an election held for the repeal of any referred ordinance or resolution shall state the title of the ordinance or resolution and contain a succinct statement of the nature and purpose of the ordinance or resolution sought to be repealed, and below such statement, in separate lines, there shall be printed the words: FOR THE REPEAL OF THE ORDINANCE (OR RESOLUTION) - AGAINST THE REPEAL OF THE ORDINANCE (OR RESOLUTION). If a majority of the voters in such election shall vote in favor of the repeal of such ordinance or resolution, then the same shall be considered repealed, when the result of such election shall be declared.

Provided, however, that nothing contained in this section shall affect the manner of calling elections to determine whether or not franchises shall be granted.

The foregoing Section providing the remedy of Initiative and Referendum shall not apply in such a way as to bring about the repeal of any Ordinance or Resolution on the authority of, which any sale, contract or conveyance shall have been made by said City.

(Amended 5-6-89, 11-16-07, 5-18-10 and 11-12-15)

ELECTION CODE

TITLE 16. MISCELLANEOUS PROVISIONS

CHAPTER 277. PETITION PRESCRIBED BY LAW OUTSIDE CODE

Sec. 277.001. APPLICABILITY OF CHAPTER. This chapter applies to a petition authorized or required to be filed under a law outside this code in connection with an election.

Added by Acts 1987, 70th Leg., ch. 54, Sec. 16(c), eff. Sept. 1, 1987.

Amended by Acts 1993, 73rd Leg., ch. 728, Sec. 81, eff. Sept. 1, 1993.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 1235 (S.B. 1970), Sec. 25, eff. September 1, 2009.

Sec. 277.002. VALIDITY OF PETITION SIGNATURES. (a) For a petition signature to be valid, a petition must:

(1) contain in addition to the signature:

(A) the signer's printed name;

(B) the signer's:

(i) date of birth; or

(ii) voter registration number and, if the territory from which signatures must be obtained is situated in more than one county, the county of registration;

(C) the signer's residence address; and

(D) the date of signing; and

(2) comply with any other applicable requirements prescribed by law.

(b) The signature is the only information that is required to appear on the petition in the signer's own handwriting.

(c) The use of ditto marks or abbreviations does not invalidate a signature if the required information is reasonably ascertainable.

(d) The omission of the state from the signer's residence address does not invalidate a signature unless the political subdivision from which the signature is obtained is situated in more than one state. The omission of the zip code from the address does not invalidate a signature.

(e) A petition signature is invalid if the signer signed the petition earlier than the 180th day before the date the petition is filed.

(f) The signer's residence address and the address listed on the signer's registration are not required to be the same if the signer is eligible to vote under Section 11.004 or 112.002.

Added by Acts 1987, 70th Leg., ch. 54, Sec. 16(c), eff. Sept. 1, 1987.
Amended by Acts 1993, 73rd Leg., ch. 728, Sec. 82, eff. Sept. 1, 1993;
Acts 1997, 75th Leg., ch. 1349, Sec. 73, eff. Sept. 1, 1997; Acts 2003,
78th Leg., ch. 1316, Sec. 43, eff. Sept. 1, 2003.

Amended by:

Acts 2005, 79th Leg., Ch. 1107 (H.B. 2309), Sec. 1.25(a), eff.
September 1, 2005.

Acts 2021, 87th Leg., R.S., Ch. 711 (H.B. 3107), Sec. 97, eff.
September 1, 2021.

Sec. 277.0021. MEANING OF QUALIFIED VOTER. A reference in a law outside this code to "qualified voter" in the context of eligibility to sign a petition means "registered voter."

Added by Acts 1989, 71st leg., ch. 483, Sec. 1 , eff. Sept. 1, 1989.

Sec. 277.0022. WITHDRAWAL OF SIGNATURE. (a) A signer may not withdraw the signature from a petition on or after the date the petition is received by the authority with whom it is required to be filed. Before that date, a signer may withdraw the signature by deleting the signature from the petition or by filing with the authority with whom the petition is required to be filed an affidavit requesting that the signature be withdrawn from the petition.

(b) A withdrawal affidavit filed by mail is considered to be filed at the time of its receipt by the appropriate authority.

(c) The withdrawal of a signature nullifies the signature on the petition and places the signer in the same position as if the signer had not signed the petition.

Added by Acts 1993, 73rd Leg., ch. 728, Sec. 83, eff. Sept. 1, 1993.

Sec. 277.0023. SUPPLEMENTING PETITION. (a) Except as provided by Subsection (b), a petition may not be supplemented, modified, or amended on or after the date it is received by the authority with whom it is required to be filed unless expressly authorized by law.

(b) If a petition is required to be filed by a specified deadline, the petitioner may file one supplementary petition by that deadline if the

original petition contains a number of signatures that exceeds the required minimum number by 10 percent or more and is received by the authority with whom it is required to be filed not later than the 10th day before the date of the deadline. The authority shall notify the petitioner as to the sufficiency of the petition not later than the fifth regular business day after the date of its receipt.

Added by Acts 1993, 73rd Leg., ch. 728, Sec. 83, eff. Sept. 1, 1993.

Sec. 277.0024. COMPUTING NUMBER OF SIGNATURES. (a) Except as provided by Subsection (b), if the minimum number of signatures required for a petition is determined by a computation applied to the number of registered voters of a particular territory, voters whose names appear on the list of registered voters with the notation "S", or a similar notation, shall be excluded from the computation.

(b) The signature of a voter whose name appears on the list of registered voters with the notation "S", or a similar notation, is considered valid if the voter:

- (1) is otherwise eligible to vote in the territory; and
- (2) provides a residence address located in the territory.

Amended by:

Acts 2021, 87th Leg., R.S., Ch. 711 (H.B. 3107), Sec. 98, eff. September 1, 2021.

Sec. 277.003. VERIFYING SIGNATURES BY STATISTICAL SAMPLE. If a petition contains more than 1,000 signatures, the city secretary or other authority responsible for verifying the signatures may use any reasonable statistical sampling method in determining whether the petition contains the required number of valid signatures, except that the sample may not be less than 25 percent of the total number of signatures appearing on the petition or 1,000, whichever is greater. If the signatures on a petition circulated on a statewide basis are to be verified by the secretary of state, the sample prescribed by Section 141.069 applies to the petition rather than the sample prescribed by this section.

Added by Acts 1987, 70th Leg., ch. 54, Sec. 16(c), eff. Sept. 1, 1987.

Sec. 277.004. EFFECT OF CITY CHARTER OR ORDINANCE. Any requirements for the validity or verification of petition signatures in addition to

those prescribed by this chapter that are prescribed by a home-rule city charter provision or a city ordinance are effective only if the charter provision or ordinance was in effect September 1, 1985.
